OIL & GAS LEASE

THIS LEASE, made and entered into this 1st day of March 2017, by and between Leslie Purcell, Jr and Vada L. Purcell, husband and wife, hereinafter called Lessor(s) and OWENS OIL CO, LLC, hereinafter called Lessee.

WITNESSETH:

- 1) Lessor, in consideration of the sum of ONE DOLLAR (\$1.00) and other good and valuable considerations in hand paid by the Lessee, the receipt of which is hereby acknowledged, and the covenants and agreements herein contained, hereby grants, demises, leases and lets exclusively unto the Lessee the lands hereafter described for the purposes of prospecting, exploring by geophysical and other methods, drilling, operating for producing oil and gas, or both, and the constituents thereof, including coal bed methane gas, together with the right and easement to construct, operate, repair, maintain and remove pipelines, telephone, power and electric lines tanks, ponds, roadways, plants, equipment and the subsurface strata and any and all other rights, privileges necessary, incident to or convenient for the economical operation of the lands alone or jointly with neighboring lands for these purposes, the following described land (hereinafter called "said land", in **Woodson** County, Kansas, to wit:

The East Half of the Northwest Quarter (E1/2 NW1/4); and the Northeast Quarter (NE1/4) of Section Twenty (20), Township Twenty-five (25) South, Range Seventeen (17) East of the Sixth (6th) P.M.

In addition to said land, Lessor hereby grants leases and lets exclusively unto Lessee to the same extent as if specifically described herein all lands owned by or claimed by Lessor which are adjacent, contiguous to or form a part of said land, including all oil, gas and all substances produced in association therewith underlying lakes, rivers, streams, roads, easements and right of way which traverse or adjoin any of said land. For rental payment purposes, said land shall be deemed to contain 240 acres, whether it actually comprises more or less.

- 2) Subject to the other provisions herein contained, this lease shall be for a term of 3 year(s) from this date (called "primary term") and as long thereafter as oil, or gas is produced from said land hereunder, or operations for drilling or reworking operations are conducted thereon. Lessee is not responsible for any or all old wells that may exist on lease before primary term.
- 3) The royalties to be paid by Lessee are: (a) on oil and other liquid hydrocarbons, one-eighth of that produced and saved from said land, the same to be delivered at the wells, or to the credit of Lessor into the pipeline to which the wells may be connected; Lessee may from time to time purchase any royalty oil in its possession, paying the market price therefore prevailing for the field where produced on the date of purchase; (b) on gas and the constituents thereof produced from said land and sold or used off the premises or in the manufacture of products therefrom, one eighth of the market value at the well of the product sold or used. On product sold at the well, the royalty shall be one eighth of the net proceeds realized from such sale. All royalties paid on gas sold or used off the premises or in the manufacture of products therefrom will be paid after deducting from such royalty Lessor's proportionate amount of all post production costs, including but not limited to gross production and severance taxes, gathering and transportation costs from the wellhead to the point of sale, treating, compression and processing. Lessee shall have free use of oil, gas and water produced from said land, except water from Lessor's wells, streams, lakes, and ponds for all operations hereunder, and the royalty on oil and gas shall be computed after deducting any so used.
- 4) If Lessor owns a lesser interest in the above described land than the entire and undivided fee simple estate therein, then the royalties herein provided shall be paid to Lessor only in the proportion which Lessor's interest bears to the whole and undivided fee.
- 5) Lessor grants unto the Lessee the right to pool into separate drilling or production unit(s), as to any one or more formations, said land or any part thereof and the leasehold estates therein in the vicinity of said land, whether contiguous or non-contiguous, held by Lessee or other Lessees, when in Lessee's judgment, it is necessary or advisable to create such pools to develop and operate efficiently such lands. Any such unit may not exceed six hundred forty (640) acres provided, however, that larger pools may be created to conform to any well spacing or unit prescribed by any governmental authority. Lessee, alone or with other Lessees, may form any pool before or after completion of the well thereon by recording in the county wherein the pooled lands are located declaration of such pooling and by mailing a copy thereof to Lessor.

Neither the pooling nor the provision hereof shall operate as a transfer of title of any interest in the leased premises. The commencement of a well, the conduct of other drilling operations, the completion of a well or of a dry hole, or the operation of a producing well on the pooled area, shall be considered for all purposes (except as to royalties) as if said well were located on, or such drilling operations were conducted upon, the lands covered by this lease whether or not such well is located upon or drilling operations are conducted upon said lands. The royalties hereof shall be tendered or paid to Lessor in the proportion that Lessor's acreage in the pooled area(s) bears to the total pooled area. Lessee shall have the right but not the obligation, to reduce, enlarge, or modify such pools at any time. The royalties and such other payments tendered or paid thereafter shall then be based on the proportionate acreage and interest in the revised pool. If at any time the pool is not being operated as aforesaid, the declaration of pooling may be surrendered and cancelled of record. Such cancellation or surrender shall not affect a surrender or cancellation of the lease.

- 6) Lessee shall have the right at any time without Lessor's consent to surrender all or any portion of said land and be relieved of all obligations as to the acreage surrendered. Lessee shall have the right within a reasonable time after the expiration of this lease to remove all property and fixtures placed by Lessee on said lands including the right to draw and remove all casing. When required by Lessor, Lessee will bury all pipelines below ordinary plow depth, and no well shall be drilled within two hundred (150) feet of any residence or barn now on said land without Lessor's consent. The Lessee agrees to promptly pay to the owner thereof any damages to growing crops, or improvements, caused by or resulting from any operations of Lessee.
- 7) The rights of either party hereunder may be assigned, in whole or in part, and the provisions hereof shall extend to the heirs, successors and assigns of the parties hereto, but no change or division of ownership of said land, rentals or royalties, however accomplished, shall operate to enlarge the obligation or diminish the rights of Lessee. No change in the ownership of said land, or any interest therein shall be binding on Lessee until Lessee shall be furnished with a certified copy of all recorded instruments, all court proceedings and all other necessary evidence of any transfer, inheritance or sale of said rights. In event of the assignment of this lease as to a segregated portion of said land, the rentals payable hereunder shall be apportionable among the several leasehold owners ratably according to the surface area of each, and default in rental payments by one shall not affect the rights of other leasehold owners hereunder. In case Lessee assigns this lease in whole or in part, Lessee shall be relieved of all obligations with respect to the assigned portion or portions arising subsequent to the date of assignment.
- 8) In the event the Lessee is unable to perform any of the acts to be performed by the Lessee by reason of any force majeure or "Act of God" including but not limited to storms, floods, strike, riots and governmental restrictions, then while so prevented, Lessee's obligations to comply with such covenant shall be suspended, and Lessee shall not be liable for damages for failure to comply therewith; and this lease shall be extended while and so long as Lessee is prevented by any such cause from conducting drilling or reworking operations on, or from producing oil or gas or other hydrocarbons from the leased premises; and the time while Lessee is so prevented shall not be counted against the Lessee, anything in this lease to the contrary notwithstanding, and, if such cause shall extend within 90 days of the end of the primary term, this lease shall be extended for 90 days after the cessation of such cause and as long thereafter as there are operations on or production from the lease or lands pooled therewith.
- 9) Lessor hereby warrants and agrees to defend title to the lands and interests herein described, but if the interest of Lessor covered by this lease is expressly stated to be less than the entire fee or mineral estate, Lessor's Warranty shall be limited to the interest so stated. Lessor further warrants that the lands hereby leased are not subject to any valid prior oil and gas leases. Lessee shall have the right at any time to pay for Lessor, any mortgage, taxes or other lien on said lands, in the event of default of payment by Lessor and then be subrogated to the rights of the holder thereof. Any such payments made by Lessee for Lessor may be deducted from any amounts of money which may become due Lessor under this lease.
- 10) It is mutually agreed that this instrument contains and expresses all of the agreements and understandings of the parties in regard to the subject matter thereof, and no covenant, agreement or obligation shall be read into this agreement or imposed upon the parties or either of them.

All of the provisions of this lease shall inure to the benefit of and be binding upon the parties hereto, their heirs, administrators, successors and assigns. This agreement shall be binding on each of the above named parties who sign the same, regardless of whether it is signed by any of the other parties.

IN WITNESS WHEREOF, this instrument is executed effective as of the date first above written.
