TO HAVE AND TO HOLD the Interests unto Assignee, and its successors and assigns, forever. With respect to the Wells, personal property and equipment assigned hereby, this Assignment is made by Assignor and accepted by Assignee without representations, covenants or warranties as to title, either express or implied. This Assignment is executed by Assignor without any express or implied warranty or representation as to the merchantability of any of the equipment or its fitness for any purpose, and without any other express or implied warranty or representation whatsoever. It is understood and agreed that Assignee shall have inspected the property and premises and satisfied itself as to its physical and environmental condition, both surface and subsurface, and that Assignee shall accept all of the same in its "as is, where is" condition. In addition, Assignor makes no warranty or representation, express or implied, as to the accuracy or completeness of any data, information or materials heretofore or hereafter furnished Assignee in connection with the Interests, or as to the quality or quantity of hydrocarbon reserves (if any) attributable to the Interests or the ability of the Interests to produce hydrocarbons.
