## OIL AND GAS LEASE

AGREEMENT, Made and entered into this 10<sup>th</sup> day of March, 2018, by and between Shirley A. Harsin, a single person, Party of the First Part, hereafter called Lessor (whether on or more) and Flatland Energy, LLC, Party of the Second Part, hereinafter called Lessee.

WITNESSETH: That the said Lessor, for valuable and sufficient consideration, receipt of which is hereby acknowledged, and of the covenants and agreements hereinafter contained on the part of Lessee to be paid, kept and performed, has granted, demised, leased and let and by these presents does grant, demise, lease and let unto said Lessee, for the sole and only purpose of mining and operating for oil and gas, and laying pipe lines, and building tanks, power stations and structures thereon to produce, save and take care of said products, all that certain tract of land situated in the County of Douglas, State of Kansas, described as follows, to-wit:

Township 14 South, Range 20 East of the 6<sup>th</sup> P.M.  
Section 15: The East 45 acres of the South Half of the Northeast  
Quarter (S/2 NE/4)

It is agreed that this Lease shall remain in full force for a term of one (1) year from this date, and as long thereafter as oil or gas, or either of them, is produced from said land by the Lessee.

In consideration of the premises the said Lessee covenants and agrees:

1st. To deliver to the credit of Lessor, free of cost, in the pipeline to which Lessee may connect his wells, the equal one-eighth (1/8) part of all oil produced and saved from the leased premises.

2<sup>nd</sup>. To pay Lessor for gas from each well where gas only is found the equal one-eighth (1/8) of the gross proceeds at the prevailing market rate, for all gas used off the premises, said payments to be made monthly and Lessor to have gas free of cost from any such well for all stoves and all inside lights in the principal dwelling house on said land during the same time by making his own connections with the well at his own risk and expense.

3<sup>rd</sup>. To pay Lessor for gas produced from any oil well and used off the premises, or for the manufacture of casinghead gasoline, one-eighth (1/8) of the proceeds at the prevailing market rate for the gas used, for the time during which such gas shall be used, said payments to be made monthly.

If said Lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties and rentals herein provided shall be paid the Lessor only in the proportion which his interest bears to the whole and undivided fee, and the signing of this agreement shall be binding on each of the above named parties who sign, regardless of whether it is signed by any of the other parties.

Lessee shall have the right to use, free of cost, gas, oil and water produced on said land for its operation thereon, except water from wells of Lessor.

When requested by Lessor, Lessee shall bury his pipe lines below plow depth.

No well shall be drilled nearer than 200 feet to the house or barn now on said premises, without the written consent of the Lessor.

Lessee shall pay for damages caused by its operations to growing crops on said land.

Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing.

If the Lessee shall commence to drill a well within the term of this Lease or any extension thereof, the Lessee shall have the right to drill such well to completion with reasonable diligence and dispatch, and if oil or gas, or either of them, be found in paying quantities, this Lease shall continue and be in force with the like effect as if such well had been completed within the term of years herein first mentioned.

If the estate of either party hereto is assigned, and the privilege of assigning in whole or in part is expressly allowed, the covenants hereof shall extend to their heirs, executors, administrators, successors or assigns. However, no change or division in ownership of the land or royalties shall enlarge the obligations or diminish the rights of Lessee. No change in the ownership of the land or

royalties shall be binding on the Lessee until after the Lessee has been furnished with a written transfer or assignment or a true copy thereof together with all original recorded instruments of conveyance or duly certified copies thereof necessary in showing a complete chain of title back to lessor to the full interest claimed, and all advance payments of rentals made hereunder before receipt of said documents shall be binding on any and all direct or indirect assignees, grantees, devisees, administrators, executors, or heirs of lessor. In the event this lease shall be assigned as to part or as to parts of the above described land and the holder or holders of the lease as to any such part or parts shall make default in the payment of the proportionate part of the rent due from him or them, such default shall not operate to defeat or affect this lease insofar as it covers a part or parts of said land upon which the lessee or any assignee hereof shall make due payment of said rentals.

The leased premises are now or may hereafter be owned in severalty or in separate tracts. The premises may nevertheless be developed and operated as one lease, and all royalties accruing hereunder shall be divided among and paid to such separate owners in the proportion that the acreage owned by such separate owner bears to the entire leased acreage. There shall be no obligation on the part of the lessee to offset wells on separate tracts into which the land covered by this lease may now or hereafter be divided by sale, devise, descent or otherwise, or to furnish separate receiving or measuring tanks or devices.

Lessor hereby warrants and agrees to defend the title to the lands herein described, and agrees that the Lessee shall have the right at any time to redeem for Lessor by payment, any mortgages, taxes or other liens on the above described lands, in the event of default of payment by lessor, and be subrogated to the rights of the holder thereof.

All express or implied covenants of this Lease shall be subject to all Federal and State Laws, Executive Orders, Rules and Regulations, and this Lease shall not be terminated, in whole or in part, nor Lessee held liable in damages, for failure to comply therewith, if compliance is prevented by, or if such failure is the result of, any such Law, Order, Rule or Regulation.

Lessee may at any time and from time to time surrender this lease as to any part or parts of the leased premises or any strata covered by this lease by delivering or mailing a release thereof to Lessor, or by placing a release of record in the proper county.

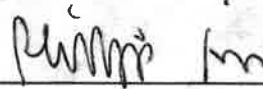

Upon the execution of this Lease the existing well, oil and gas related equipment, pump jack, tanks, separators and other oil and gas related fixtures and personal property shall become the sole property of Lessee and may be used by Lessee its operations hereunder.

WHEREOF, witness our hands as of the day and year first above written.
