Contact Person: _____

Phone: (_____) _____ Fax: (_____) _____

Email Address: _____

Well Location:

____ - ____ - ____ - ____ Sec. ____ Twp. ____ S. R. ____ East West

County: _____

Lease Name: _____ Well #: _____

If filing a Form T-1 for multiple wells on a lease, enter the legal description of the lease below:

Surface Owner Information:

Name: _____

Address 1: _____

Address 2: _____

City: _____ State: _____ Zip: _____ + _____

When filing a Form T-1 involving multiple surface owners, attach an additional sheet listing all of the information to the left for each surface owner. Surface owner information can be found in the records of the register of deeds for the county, and in the real estate property tax records of the county treasurer.

If this form is being submitted with a Form C-1 (Intent) or CB-1 (Cathodic Protection Borehole Intent), you must supply the surface owners and the KCC with a plat showing the predicted locations of lease roads, tank batteries, pipelines, and electrical lines. The locations shown on the plat are preliminary non-binding estimates. The locations may be entered on the Form C-1 plat, Form CB-1 plat, or a separate plat may be submitted.

Select one of the following:

- I certify that, pursuant to the Kansas Surface Owner Notice Act (House Bill 2032), I have provided the following to the surface owner(s) of the land upon which the subject well is or will be located: 1) a copy of the Form C-1, Form CB-1, Form T-1, or Form CP-1 that I am filing in connection with this form; 2) if the form being filed is a Form C-1 or Form CB-1, the plat(s) required by this form; and 3) my operator name, address, phone number, fax, and email address.
- I have not provided this information to the surface owner(s). I acknowledge that, because I have not provided this information, the KCC will be required to send this information to the surface owner(s). To mitigate the additional cost of the KCC performing this task, I acknowledge that I must provide the name and address of the surface owner by filling out the top section of this form and that I am being charged a \$30.00 handling fee, payable to the KCC, which is enclosed with this form.

If choosing the second option, submit payment of the \$30.00 handling fee with this form. If the fee is not received with this form, the KSONA-1 form and the associated Form C-1, Form CB-1, Form T-1, or Form CP-1 will be returned.

I hereby certify that the statements made herein are true and correct to the best of my knowledge and belief.

Date: _____ Signature of Operator or Agent: _____ Title: _____

ASSIGNMENT, BILL OF SALE AND CONVEYANCE

THIS ASSIGNMENT, BILL OF SALE AND CONVEYANCE (this “**Assignment**”), effective as of 12:01 a.m. Mountain Daylight Time on June 1, 2018 (the “**Effective Time**”), is made by **COACHMAN ENERGY VII LLC**, a Delaware limited liability company, with an address of 5251 DTC Parkway, Suite 200, Greenwood Village, Colorado, 80111 (“**Assignor**”) to and in favor of **CHOLLA PAWNEE PARTNERS, LLC**, a Colorado limited liability company whose address is 10390 Bradford Road, Suite 201, Littleton, CO 80127 (“**Assignee**”).

NOW, THEREFORE, for and in consideration of the sum of One Hundred Dollars (\$100.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby SELL, ASSIGN, CONVEY, TRANSFER, SET OVER and DELIVER unto Assignee, effective as of the Effective Time, all of Assignor’s undivided right, title, and interest in, to, under or derived from the following (collectively, the “**Assets**”):

A. The oil, gas, and mineral leases described on **Exhibit A** attached hereto and by this reference made a part hereof, together with all other rights, titles and interests of Assignor in and to the leases, and all working interest, overriding royalty interests, mineral interests, non-consent interests, forced pooled interests, whether or not such interests are listed on **Exhibit A** (the “**Leases**”), and the lands described on **Exhibit A** (the “**Lands**”); provided, however, that all of the foregoing are subject to the limitations, if any, described in said **Exhibit A**;

B. all of the oil and gas wells, salt water disposal wells, injection wells and other wells and wellbores located on or attributable to the Leases or Lands or on lands pooled, unitized or communitized with the Lands, whether producing, in progress, plugged or unplugged, shut-in or permanently or temporarily abandoned, including those wells identified on **Exhibit B** (the “**Wells**,” and, together with Leases and Lands, the “**Properties**”);

C. the oil, gas, casinghead gas, coal bed methane, condensate, and other gaseous and liquid hydrocarbons or any combination thereof, and all other lease substances (“**Hydrocarbons**”) under the Properties and that may be produced from or otherwise be allocated or attributed to the Properties from and after the Effective Time;

D. all equipment, machinery, fixtures and other tangible personal property and improvements located on the Properties or used or held for use in connection with the production, gathering, treatment, processing, storage, transportation, sale, disposal and other handling of Hydrocarbons attributable thereto, including any wellhead equipment, wells, tanks, boilers, buildings, fixtures, injection facilities, saltwater disposal facilities, compression facilities, pumping units and engines, flow lines, pipelines, gathering systems, gas and oil treating facilities, machinery, power lines, telephone lines, roads, and other appurtenances, improvements, and facilities related thereto (collectively, the “**Equipment**”);

E. all contracts, permits, licenses, easements, rights-of-way, gas purchase and sales agreements, crude oil or gas contracts, farm-out agreements, operating agreements and any other related agreements and existing offers pertaining to the Properties and including, without limitation, the contracts and agreements listed on **Exhibit C** attached hereto (collectively, the “**Contracts**”);

F. to the extent assignable and to the extent the transfer or disclosure thereof to Buyer would not be prohibited by binding obligations of confidentiality against Assignor, all seismic records, gravity maps, gravity meter surveys, seismic surveys, well logs, and other similar

geological or geophysical surveys or data owned, held or licensed by Assignor and covering any portion of the Properties (collectively, the “**Geophysical Data**”) including any processed or reprocessed data; and

G. All files, records, data and information relating to the Wells, Leases and Lands maintained by Assignor (the “**Records**”), including, without limitation, lease and land files, abstracts, title reports, memoranda and opinions, contract files and non-exclusive rights to copies of geologic and engineering reports and other scientific data related to the Leases or Lands.

TO HAVE AND TO HOLD the Assets herein conveyed unto Assignee, its successors and assigns forever; provided, however, that this Assignment is executed without warranty of title express or implied, except that Assignor warrants and agrees to defend title to the Assets unto Assignee, its successors and assigns, against any and all persons or entities lawfully claiming or to claim the Assets or any portion thereof, by, through or under Assignor but not otherwise. In addition, to the maximum extent permitted by applicable law, Assignee shall be subrogated to all of Assignor’s rights in and to representations, warranties and covenants given with respect to the Assets; and Assignor hereby grants and transfers to Assignee, its successors and assigns, to the maximum extent so transferable and permitted under applicable law, the benefit of and the right to enforce the covenants, representations and warranties, if any, which Assignor is entitled to enforce with respect to the Assets, but only to the extent not enforced by Assignor (and such right shall not exclude any right of Assignor to enforce the same).

EXCEPT AS EXPRESSLY SET FORTH IN THE PURCHASE AGREEMENT (DEFINED BELOW) AND ASSIGNOR’S SPECIAL WARRANTY OF TITLE SET FORTH IN THE PARAGRAPH ABOVE, ASSIGNOR EXPRESSLY DISCLAIMS ANY AND ALL LIABILITY AND RESPONSIBILITY AND ASSIGNEE ACKNOWLEDGES AND AGREES THAT THE ASSETS ARE BEING TRANSFERRED, ASSIGNED AND CONVEYED FROM ASSIGNOR TO ASSIGNEE “AS-IS, WHERE-IS,” AND WITH ALL FAULTS IN THEIR PRESENT CONDITION AND STATE OF REPAIR, WITHOUT RECOURSE. EXCEPT AS EXPRESSLY SET FORTH IN THE PURCHASE AGREEMENT AND ASSIGNOR’S SPECIAL WARRANTY OF TITLE SET FORTH IN THE PARAGRAPH ABOVE, ASSIGNOR HEREBY DISCLAIMS ANY AND ALL REPRESENTATIONS AND WARRANTIES CONCERNING THE ASSETS, INCLUDING WITHOUT LIMITATION, CONDITION, QUALITY, COMPLIANCE WITH LAWS, ABSENCE OF DEFECTS (LATENT OR PATENT), SAFETY, STATE OF REPAIR, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE; AND ASSIGNEE (ON BEHALF OF ITSELF AND ITS SUCCESSORS AND ASSIGNS) IRREVOCABLY WAIVES ANY AND ALL CLAIMS IT MAY HAVE AGAINST ASSIGNOR ASSOCIATED WITH THE SAME. Assignor and Assignee agree that the preceding disclaimers of warranty are “conspicuous” disclaimers for purposes of any applicable law, rule or order.

Effective as of the Effective Time, Assignee does hereby assume and agree to fulfill, perform, pay and discharge the Assignor’s obligations with respect to the Lands and Leases including, without limitation, obligations under the Leases and Contracts.

Separate assignments of the Assets may be executed on official approved forms by Assignor to Assignee, in sufficient counterparts to satisfy applicable statutory and regulatory requirements. Those assignments shall be deemed to contain all of the exceptions, reservations, warranties, rights, titles, powers and privileges set forth herein as fully as though they were set forth in each such assignment. The interests conveyed by such separate assignments are the same, and not in addition to, the Assets conveyed in this Assignment.

It is the intent of Assignor to convey and this Assignment hereby conveys to Assignee, subject to the reservations and conditions set forth herein, all of Assignor’s right, title and interest on the Effective

Time in and to the Assets, regardless of the omissions or errors in the descriptions thereof, any incorrect or misspelled names or any transcribed incorrect recording references. Further, it is the intent of the parties that Assignor convey to Assignee all of Assignor's right, title and interest in and to all Leases and Wells covering lands within the Remington AMI and the Greater Wrangler AMI (as those terms are defined in that certain Purchase and Sale Agreement dated July __, 2018 between Assignor and Assignee, referenced herein as the "**Purchase Agreement**"), whether or not such Leases or Wells are listed on **Exhibit A** or **Exhibit B**, as applicable. Assignor will execute and deliver all such other and additional instruments, notices, releases, acquittances, and other documents, and will do all such other acts and things as may be reasonably requested in order more fully and effectively to assure to Assignee or its successor and assigns all of the respective rights and interests conveyed by this Assignment or intended to be so conveyed.

This Assignment is subject to the terms and conditions of the Purchase Agreement, which shall not merge into this Assignment and shall survive the execution and delivery hereof as provided herein. No provision set forth in this Assignment shall be deemed to enlarge, alter or amend the terms or provisions of the Purchase Agreement, and any conflict between this Assignment and the Purchase Agreement will be governed by the Purchase Agreement. Any capitalized term contained in this Assignment, but not defined in this Assignment, shall have the meaning ascribed to such term in the Purchase Agreement.

This Assignment may be executed in any number of counterparts, and by different parties in separate counterparts, each of which shall be deemed to be an original instrument, but all of which together shall constitute but one instrument.

This Assignment and the provisions contained herein shall be covenants running with the land and shall be binding upon and inure to the benefit of the parties to this Assignment and their respective successors and assigns.

[Signature Page Follows]

This Assignment is executed on the date set forth in the acknowledgments below, but is effective for all purposes as of the Effective Time.

INSPECTION REPORT

Case# _____

<input type="checkbox"/>	Complaint
<input checked="" type="checkbox"/>	New Situation
<input type="checkbox"/>	Response to request
<input type="checkbox"/>	Follow-up

Date: 08-07-2018

Operator: Coachman Energy Operating Co. LLC

License: 35300

Address: 525' DTC Parkway Suite 200

Location: NW/4 Sec 18-15-19w

City/St: Greenwood Village, CO. 80111

Lease: Dechant

Phone: 720-476-3678

County: Ellis

Reason for investigation: T-1 transfers.

Problem: New operator Cholla Production, LLC # 31819

Findings:

- A lease inspection was conducted on the above said lease on August 03, 2018 and found the following:
- The Dechant well 1-18-15 located in the NE SW SE NW is a producer on the said lease. GPS location was 38.74921 -099.47950. 3287'FSL & 3381'FEL. API # 15-051-26787-00-00.
- The TB site located in the NW SE SE NW also has a lease sign at the location was very clean. GPS location was 38.74852 -099.47912. 3035'FSL & 3269'FEL.

Photos: Yes

Action /recommendations:

The above said operator complies with the rules and regulations of the KCC at this time. The lease is ok to transfer.
