Landowner gets ten dollars per acre, and three/sixteenths royalty.

All flow lines and electric lines will be buried.

All fluid leaks or spills will be cleaned up per KCC rules and the dirt replaced as required and new grass planted.

Operator cannot sell or transfer lease without written permission from the landowner.

The oil lease is in effect for two years, and as long thereafter as oil is produced. In the event that no oil is sold for more than six months, the landowner shall receive Ten Dollars per acre to renew the lease.

IF /Andowner APProves Renewl.

All equipment currently on the lease stays on the lease. Any equipment placed on the lease by the operator, can be removed by the operator. Operator will place panels around wells to keep livestock away from wells.

Landowner has access to wellhead gas, on existing wells, or any new wells. Gas lines to the wells for landowner use would be landowners responsibility.

IF Operators Wish to drill A new Well, Operators Must Obtain Landowners Permission before Starting.
