## ASSIGNMENT AND BILL OF SALE

This Assignment and Bill of Sale (hereinafter referred to as the “Assignment”), effective as of January 1, 2019, hereinafter referred to as the “Effective Time”, is from **Quail Oil & Gas, LC**, whose address is PO Box K, Garden City, KS 67846 hereinafter referred to as “Assignor”), to **SAAW Operating, LLC**, whose address is PO Box 841, Protection, KS 67127 (hereinafter referred to as “Assignee”);

### WITNESSETH:

Assignor represents that it owns all the working interest in the oil and gas leases and the wells described in Exhibit A Parts 1 & 2, described herein as “Interests”. It is Assignee’s express intent to acquire 100% (100 percent) of Assignor’s working interest in the “Interests” as they apply

For valuable consideration, and the covenants and conditions set forth herein, the receipt and adequacy of which are hereby acknowledged by Assignor, Assignor hereby assigns, transfers, grants, bargains, sells and conveys to Assignee the following (all of which are herein referred to as the “Interests”):

1. An undivided 100% of Assignor’s right, title and interest in and to the oil and gas leases described in Exhibit A, Part 1, attached hereto (the “Leases”), covering the lands described in Exhibit A (the “Land”), together with all the property and rights appurtenant or incident thereto, including without limitation (a) all rights of Assignor in oil, gas and associated substances and other minerals produced or producible from or attributable to the Leases or to any units, pooled areas or communitized areas that cover or include all or any portion of the Leases, and (b) all rights of Assignor in, to and under all operating agreements, exploration agreements, pooling or unitization agreements, farmout agreements, joint venture agreements, product purchase and sales contracts, pipeline and transportation agreements, processing and treatment agreements, leases, permits, right-of-way, easements, licenses, options, orders, contracts and instruments in any relating to the Leases and the Land, and all amendments to any of the foregoing.

2. An undivided 100% of Assignor’s right, title and interest in and to the certain wells described in Exhibit “A”, Part 2, (herein referred to as the “Wells”), together with the personal property, fixtures, improvements and other property, whether real, personal, or mixed, now or as of the Effective Time on, appurtenant to, or used or obtained by Assignor in connection with the Wells or with the production, injection, treatment, sale or disposal of hydrocarbons and all other substances produced therefrom or attributable thereto, including without limitation well equipment, casing, tubing, tanks, rods, tanks batteries, natural gas, crude oil, condensate or products placed into storage or into pipelines, boilers, buildings, pumps, motors, machinery, injection facilities, disposal facilities, field separators and liquid extractors, compressors, pipelines, gathering systems, power line, telephone and telegraph lines, roads, equipment leases, trailers, inventory in storage and all other appurtenances thereunto belonging.

3. An undivided 100% of Assignor’s interest in options, farmout agreements, exploration agreements and other agreements granting to Assignor the right to earn or otherwise acquire interests in the Wells.

TO HAVE AND TO HOLD the Interests unto Assignee, and its successors and assigns, forever. With respect to the Wells, personal property and equipment assigned hereby, this Assignment is made by Assignor and accepted by Assignee without representations, covenants or warranties as to title, either expressed or implied. This Assignment is executed by Assignor without any express or implied warranty or representation as to the merchantability of any of the equipment or its fitness for any purpose, and without any other express or implied warranty or representation whatsoever. It is understood and agreed that Assignee shall have inspected the property and premises and satisfied itself as to its physical and environmental condition, both surface and subsurface, and that Assignee shall accept all of the same in its "as is, where is" condition. In addition, Assignor makes no warranty or representation, express or implied, as to the accuracy or completeness of any data, information or materials heretofore or hereafter furnished Assignee in connection with the Interests, or as to the quality or quantity of hydrocarbon reserves (if any) attributable to the Interests or the ability of the Interests to produce hydrocarbons. Any and all such data, information and other materials furnished by Assignor is provided Assignee as convenience and any reliance on or use of the same shall be at Assignee's sole risk.

By execution hereof, Assignee hereby assumes and agrees to pay and discharge or cause to be paid and discharged, from and after the Effective Time hereof, to perform or cause to be performed, all of Assignor's obligations and liabilities arising and attributable to times on or after Effective Time incurred in the ordinary course of operation of the Interest on or after the Effective Time pursuant to leases, operating agreements, agreements, contracts, gas and/or oil contracts (if any), instruments and other commitments to which the Interests are subject, and Assignor hereby agrees to pay and discharge or cause to be paid, performed and discharged, all obligations and liabilities to times before the Effective Time incurred in the ordinary course of operation of the Interests before the Effective Time pursuant to leases, operating agreements, agreements, contracts, gas and/or oil contracts (if any), pipeline construction, instruments, and other commitments to which the Interests are subject. **As further consideration for this Assignment, Assignee expressly agrees to and does assume any and all liability and cost associated with the interest conveyed herein for the plugging and abandonment of the wells described in Exhibit "A", Part 2.**

Assignor will execute and delivery all such other additional instruments and documents and will do all such other acts and things as may be necessary more fully to assure to Assignee or its successors or assigns that all of the respective rights and interests herein and hereby granted or intended to be granted are granted.

By its acceptance of the terms of this Agreement and Bill of Sale, Assignee shall comply with and does hereby assume and agree to perform as to matters attributable to times on and after the Effective Time, Assignee's proportionate part of all express and implied covenants, obligations and reservations contained in the Leases, and the Interests assigned herein are subject to and shall bear their proportionate share of all existing recorded lease burdens, overriding royalty interest and payments out of production relating to the Leases as of the Effective Time.

This Agreement may be executed by Purchaser and Seller in any number of counterparts, each of which shall be deemed an original instrument, but all of which together shall constitute but one and the same instrument. Electronic and fax signatures shall be considered binding.

The provisions hereof shall be covenants running with the land and shall be binding upon and inure to the benefit of the parties hereto, their respective successors and assigns.

Executed this 2<sup>nd</sup> day of January 2019, however, to be effective for all purposes as of the Effective Time.
