Viking Energy Partners, LLC
a Texas limited liability company

Grapevine, TX 76051

Closing Date: On or Before April 15, 2019

1. **CONSIDERATION.** The supporting consideration for this agreement (the "Agreement") will be the exchange of the Purchase Price for the Property, and the mutual covenants and agreements contained herein. The parties hereto (each a "Party", and together the "Parties") stipulate and agree that said consideration is sufficient to support this Agreement.

2. **SALE OF PROPERTY.** Seller is the owner of the working interest of the oil and gas leases described in Exhibit "A" attached hereto (the "Leases"), that being the Net Revenue Interest ("NRI") in each of the Leases set forth on Exhibit "A." Seller agrees to sell 100% of the working interest (i.e. the NRI listed on Exhibit "A") of the Leases together with all of its right, title and interest in and to all rights, privileges and easements appurtenant thereto, to Buyer for the sum of One Hundred Thirty Thousand Dollars (\$130,000.00) (the "Purchase Price") including all personal property now in place on the Leases. The Leases and personal property shall hereinafter collectively be referred to as the "Property." All payments made by Seller to Buyer towards the Purchase Price shall be paid seventy-five percent (75.00%) to Fountainhead Resources LLC and twenty-five percent (25.00%) to Viking Energy Partners, LLC. All amounts payable by Buyer to Seller pursuant to this Agreement shall be payable only in United States currency, in immediately available funds.

3. **ALLOCATION OF THE PURCHASE PRICE.** The Purchase Price will be allocated as follows:

<u>DESCRIPTION OF PARTICULAR ASSETS</u>	<u>PURCHASE PRICE</u>
Sellers Working Interest in the Leases:	\$ _____
Sellers interest in all personal property, fixtures and improvements currently located upon the Leases:	\$ _____

4. **SELLER FINANCING.** On April 15, 2019 Buyer shall deliver \$10,000.00 of the Purchase Price to Seller in collected funds. Buyer shall make additional \$10,000.00 payments of the Purchase Price every three months with the first such payment being due on July 15, 2019 and subsequent payments to be due on the three-month anniversary of such date thereafter until October 15, 2020 at which time, Buyer shall deliver the entire remaining \$70,000.00 of the Purchase Price to Seller. Interest

shall not accrue upon the unpaid balance of the Purchase Price. Buyer may pay all or part of the unpaid Purchase Price at any time without any penalty. If any payment is late Seller shall deliver written notice of such deficiency to Buyer, and if Buyer fails to tender such payment within five business days after said notice given, Buyer shall forfeit any and all, right title, interest and equity in and to the leases, and Seller shall retain all moneys received prior to such date under this Agreement as liquidated damages and not as a penalty. The Parties recognize that it may be difficult or impossible to quantify the actual damages that may be sustained by Seller if this Agreement is breached and that this liquidated damages provision is a fair and equitable remedy.

5. POSSESSION AT CLOSING. During the executory period of this Agreement, Buyer shall have full and exclusive possession, control and supervision of all development and operations of the Leases for the production of oil, gas and casinghead gas; provided however, that Buyer shall not sell or remove any equipment from the leases, shall not plug any wells without Seller's written consent, and shall continuously produce and operate the Leases as a reasonable prudent operator during the executory period of this Agreement. Buyer may in its sole discretion drill additional wells, change crude oil purchasers, replace equipment and make other repairs or improvements upon the Leases. During the executory period of this Agreement, Seller shall have no right to control or otherwise stipulate to the manner of operation of the Leases except as specifically provided herein. Buyer shall pay all expenses associated with the Leases incurred as a result of Buyer's operation thereof, including both capital expenditures and operating expenses during the executory period of this Agreement. Buyer may designate the operator of the Leases with the Kansas Corporation Commission, and Buyer shall be responsible for paying all fines, performing all remediation work and ensuring that the Leases are in compliance with all applicable laws, rules and regulations. The "executory period" as that term is used in this Agreement shall mean the period of time between the Closing (as defined below) and Seller's receipt of the entire Purchase Price.

6. ASSIGNMENT AND BILL OF SALE FORM. Seller shall at Closing execute a warranty assignment (the "Assignment") conveying to Buyer 100% of the working interest representing NRI set forth on Exhibit "A" in the Leases. Said Assignment shall be in the form attached hereto as Exhibit 'B.' Seller shall at Closing execute a warranty bill of sale (the "Bill of Sale"), conveying to Buyer all personal property, to include fixtures and improvements, currently located upon the Leases and used in connection with oil and gas exploration, development or production activities thereon. Said Bill of Sale shall be in the form attached hereto as Exhibit 'B.' Said Assignment and Bill of Sale shall be held in escrow during the executory period of this Agreement and shall not be recorded until Seller has received the entire Purchase Price.

7. CLOSING. Closing shall be on or before April 15, 2019 at a time and place mutually agreeable to Buyer and Seller (the "Closing"). Seller shall execute the Assignment and Bill of Sale and the Parties shall execute the Memorandum of Agreement (the "Memorandum of Agreement") described below. The Assignment and Bill of Sale shall be placed into escrow until the entire Purchase Price has been paid. The Memorandum of Agreement shall be delivered to Buyer for recording at Closing.

8. SUBROGATION. In the event Seller becomes delinquent on payment of any obligations during the executory period of this Agreement which could adversely effect Buyers title to the Property, Buyer shall have the option but not the obligation to pay said obligations on Seller's behalf and to deduct the amount expended to pay said obligation from the unpaid Purchase Price, and to demand repayment from Seller if the amount of the unpaid Purchase Price does not exceed the amount expended by Buyer to satisfy Seller's obligation. Seller acknowledges that its title is and always will

be subordinate to the title of the Buyer and nothing herein contained will empower Seller to do any act that can, will, or may encumber the title of the Buyer.

9. **NO BUSINESS RELATIONSHIP.** Nothing in this Agreement will be deemed, held, or construed to make any Party a partner or associate of the other in the operation of the Leases, or to render any Party liable for any debts, liabilities, or obligations incurred by another Party. It is expressly understood and agreed that the relationship between the Parties hereto will always be that of vendor and vendee.

10. **SETTLEMENT OF CLAIMS.** With the prior written approval of Seller, Buyer shall have the right to compromise, settle and adjust any claim for damages which may be made by the land owner or adjoining landowners, which damage may result from any operations conducted in the developing or operation of the Leases, which Buyer shall be responsible for paying.

11. **MEMORANDUM OF AGREEMENT.** At Closing the Parties shall execute a Memorandum of Agreement. Buyer shall be entitled to file said Memorandum of Agreement of record in the office of the Register of Deeds for Franklin County, Kansas and also in the office of the Kansas Secretary of State for the purpose of providing public notice of Buyer's equitable and contractual interests in the Property.

12. **SELLER RETENTION.** Seller shall continue to operate and produce the Leases until Closing. Seller shall retain all production from said operations prior to Closing and shall pay all expenses and liabilities to the date of Closing. Seller shall sell all production above the draw down valve of all storage tanks on or about the date of Closing, therefore any oil located upon the Leases at Closing shall become the property of Buyer. All continuing services such as utilities, pumper fees and related expenses shall become on the date of Closing Buyer's liability.

13. **TIME IS OF THE ESSENCE.** It is very important to the Seller that this sale is performed in a prudent and timely manner. Time is of the essence, thus all things which are required to be done by certain dates must be done, otherwise such failure shall be deemed a material default.

14. **POSSESSION AT CLOSING.** Possession of the Leases shall be on the date of Closing.
