When filing a Form T-1 involving multiple surface owners, attach an additional sheet listing all of the information to the left for each surface owner. Surface owner information can be found in the records of the register of deeds for the county, and in the real estate property tax records of the county treasurer.

If this form is being submitted with a Form C-1 (Intent) or CB-1 (Cathodic Protection Borehole Intent), you must supply the surface owners and the KCC with a plat showing the predicted locations of lease roads, tank batteries, pipelines, and electrical lines. The locations shown on the plat are preliminary non-binding estimates. The locations may be entered on the Form C-1 plat, Form CB-1 plat, or a separate plat may be submitted.

Select one of the following:

- I certify that, pursuant to the Kansas Surface Owner Notice Act (House Bill 2032), I have provided the following to the surface owner(s) of the land upon which the subject well is or will be located: 1) a copy of the Form C-1, Form CB-1, Form T-1, or Form CP-1 that I am filing in connection with this form; 2) if the form being filed is a Form C-1 or Form CB-1, the plat(s) required by this form; and 3) my operator name, address, phone number, fax, and email address.
- I have not provided this information to the surface owner(s). I acknowledge that, because I have not provided this information, the KCC will be required to send this information to the surface owner(s). To mitigate the additional cost of the KCC performing this task, I acknowledge that I must provide the name and address of the surface owner by filling out the top section of this form and that I am being charged a \$30.00 handling fee, payable to the KCC, which is enclosed with this form.

If choosing the second option, submit payment of the \$30.00 handling fee with this form. If the fee is not received with this form, the KSONA-1 form and the associated Form C-1, Form CB-1, Form T-1, or Form CP-1 will be returned.

I hereby certify that the statements made herein are true and correct to the best of my knowledge and belief.

Live-In & Learn™ Boarding School

Our boarding school program is designed to provide a foundation of basic obedience skills and home manners. Our boarding school program is not designed for dogs who have severe behavioral issues such as fear, separation anxiety, or aggression towards humans or dogs. Full Circle Obedience instructors have more than twenty-five years of hands-on experience and hundreds of hours in continuing education and research. We know that dogs with those types of issues benefit greatly from owners who learn how to provide long term training in natural settings such as the dog's home, walks, and other typical environments. We can provide you with the skills you will need for rehabilitating your dog through private lessons and group classes specifically designed for dogs with social behavioral problems.

For our Live-In & Learn™ Boarding School program to be successful, we require that your dog is comfortable in his crate on a daily basis. All dogs are crated at night in our homes; never in a kennel or outdoor run. Your dog will be trained at our facility during the day and return to our homes with us at night. He/She will be able to run and play safely in our 6 foot stockade fenced yard. If your dog plays well with others, we allow plenty of group exercise and playtime.

We focus on sit & down with hand signals, manners on leash (loose leash walking), come-when-called, impulse control, and other basic behaviors and in-home manners. We will discuss specific requests that you may have based on the length of your dog's Live-In & Learn stay.

We can assist with housebreaking issues and provide the necessary structure for clean habits for puppies, but we do not guarantee to completely potty train dogs or puppies in our 10 day or 17 day program..

Our Live-In & Learn Boarding School Program is very popular and we typically have a waiting list; therefore we require a non-refundable deposit per dog within 72 hours of your reservation.

Please call the school at 405-721-STAY (7829) to check our availability and to make your reservation.

When you pick up your dog plan on spending 30 minutes to an hour reviewing what your dog has learned, polishing your handling skills, and learning how to continue structure and training until you return for follow-up classes. Please understand the dog may not perform perfectly when you show up because they have missed you and are excited to be reunited with their family. If you are not able to devote 30 minutes to an hour to the initial pick up time we will schedule a private lesson to be held within 14 days. It is imperative that you understand what your dog has learned and the correct way to continue his /her structure and training; please, do not use your cell phone or bring small children for that particular lesson. We do welcome children in the follow up group classes.

While we do not offer discounts for our Live-In & Learn program we do offer and encourage you to participate in the following whether you choose 10 days or 17 days of training:

One FREE group class * (instructor's recommendation) & 2 free refresher lessons at the facility or in-home lessons within 20 miles of Full Circle Obedience. Refresher lessons are 30 mins- 45 minutes duration.

**group classes are 4-5 weeks long*

If you have booked and secured your dog's reservation for our Live-In & Learn™ Boarding School Program with the non-refundable deposit per dog, please print, sign, and bring this with you to your appointment. We look forward to working with you in helping your dog become the lifelong companion you desire.
