RE: Transfer of Operator on the LW Lease – KDOR 145154

This letter is to inform you of a transfer of operations that does not involve a sale of leases.

Mid-Con Petroleum is the majority owner of the LW Lease and a subsidiary of Viking Energy Group. Viking has created another subsidiary, Petrodome Operating, LLC, to operate its leases in Eastern Kansas.

Petrodome Operating will be taking over operations from S&B Operating on July 1, 2020. Since their related company owns the majority of the Working Interest they don't have any kind of Operating Agreement with themselves, and because no sale took place there's no assignment to show any kind of legal transfer. This letter is intended to serve as evidence that both companies desire and agree to the transfer of operations of the wells.
