ELIZABETH GIUNORE

OIL AND GAS LEASE

AGREEMENT, Made and entered into this 26th day of November, 2019, by and between

STRANGER VALLEY LAND CO., LLC

parties of the first part, hereinafter called Lessor (whether one or more) and

JERRY J. DRISCOLL OIL INVESTMENT, INC.

party of the second part, hereinafter called Lessee.

WITNESSETH, That the said Lessor for and in consideration of One Dollar (\$1.00) and other valuable consideration, cash in hand paid, receipt of which is hereby acknowledged, and of the covenants and agreements hereinafter contained on the part of Lessee to be paid, kept and performed, has granted, demised, leased and let and by these presents does grant, demise, lease and let unto said Lessee, for the sole and only purpose of mining and operating for oil and gas, and laying pipelines, and building tanks, power stations and structures thereon to produce, save and take care of said products, all that certain tract of land "together with any reversionary rights therein," situated in the County of Russell, State of Kansas, described as follows, to-wit:

The North Half (N/2) of Section 1, Township 13 South, Range 15 West of the 6th P.M.;

and

The Southwest Quarter (SW/4) of Section 36, Township 12 South, Range 15 West of the 6th P.M.;

and containing 480 acres more or less.

It is agreed that this lease shall remain in full force for a term of two (2) years from the date hereof and as long thereafter as oil or gas, or either of them, is produced from said land by the Lessee, or the premises are being developed or operated.

In consideration of the premises the said Lessee covenants and agrees:

1. To deliver to the credit of Lessor, free of cost, in the pipeline to which he may connect his wells, the equal one-eighth (1/8) part of all oil produced and saved from the leased premises.
2. The lessee shall pay to Lessor for gas produced from any oil well and used by the Lessee for the manufacture of gasoline or any other product as royalty 1/8 of the market value of such gas at the mouth of the well; if said gas is sold by the Lessee, then as royalty 1/8 of the proceeds of the sale thereof at the mouth of the well. The Lessee shall pay Lessor as royalty 1/8 of the proceeds from the sale of gas as such at the mouth of the well where gas only is found and where such gas is not sold or used, Lessee shall pay or tender annually at the end of each yearly period during which such gas is not sold or used as royalty, One Dollar (\$1) per net mineral acre retained hereunder, and while said royalty is so paid or tendered this lease shall be held as a producing lease under the above term paragraph hereof; the Lessor to have gas free of charge from any gas well on the leased premises for stoves and inside lights in the principal dwelling house on said land by making his own connections with the well, the use of such gas to be at the Lessor's sole risk and expense.
- Lessee may at any time execute and deliver to Lessor, or place of record, a release or releases covering any portion or portions of the above described premises and thereby surrender this lease as to such portion or portions and be relieved of all obligations as to the acreage surrendered.
3. If said Lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties herein provided shall be paid the Lessor only in the proportion which his interest bears to the whole and undivided fee.
4. Lessee shall have the right to use, free of cost, gas, oil, and water produced on said land for its operation thereon, except water from wells of Lessor.
5. When requested by Lessor, Lessee shall bury his pipelines below plow depth.
6. No well shall be drilled nearer than 200 feet to the house or barn now on said premises, without the written consent of the Lessor.
7. Lessee shall pay for damages caused by its operations to growing crops on said land.
8. Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing.
9. If the Lessee shall commence to drill a well within the term of this lease or any extension thereof, the Lessee shall have the right to drill such well to completion with reasonable diligence and dispatch, and if oil or gas, or either of them, be found in paying quantities, this lease shall continue and be in force with the like effect as if such well had been completed within the term of years herein first mentioned.
10. If the estate of either party hereto is transferred, and the privilege of transferring in whole or in part is expressly allowed, or if the rights hereunder of either party hereto are vested by descent or devise, the covenants hereof shall extend to and be binding on the heirs, devisees, executors, administrators, successors, or assigns, but no change in the ownership of said land or of any right hereunder shall be binding on the Lessee until after Lessee has been furnished with the original or a certified copy thereof of any transfer by Lessor or with a certified copy of the will of Lessor together with a transcript of the probate thereof or, in the event Lessor dies intestate and his estate is being administered, with a transcript of the administration proceedings or, in the event of the death of Lessor and no administration being had on the estate, with an instrument satisfactory to Lessee executed by Lessor's heirs authorizing payment at least thirty days before said royalties are payable or due. In case Lessee assigns this lease, in whole or in part, Lessee shall be relieved of all obligations with respect to the assigned portion or portions arising subsequent to the date of assignment. If the leased premises are now or hereafter owned in severalty or in separate tracts, the premises, nevertheless, may be developed and operated as an entirety, and the royalties shall be paid to each separate owner in the proportion that the acreage owned by him bears to the entire leased area. There shall be no obligation on the part of the Lessee to offset wells on separate tracts into which the land covered by this lease may hereafter be divided by sale, devise, or otherwise, or to furnish separate measuring or receiving tanks for the oil produced from such separate tracts.
11. Lessor hereby warrants and agrees to defend the title to the lands herein described, and agrees that the Lessee shall have the right at any time to redeem for Lessor by payment, any mortgages, taxes or other liens on the above described lands, in the event of default of payment by Lessor, and be subrogated to the rights of the holder thereof and may reimburse itself from any royalties accruing hereunder.
12. The terms, covenants, and conditions hereof shall run with said land and herewith and shall be binding upon the parties hereto, their heirs, administrators, devisees, executors, successors and assigns; however, all express or implied covenants of this lease shall be subject to all Federal and State Laws, Executive Orders, Rules or Regulations, and this lease shall not be terminated, in whole or in part, nor Lessee held liable for failure to comply therewith, if compliance is prevented by, or if such failure is the result of, any such Law, Order, Rule or Regulation.
