All of such wells, property, equipment and fixtures are sold, conveyed and transferred "as is" and "where is". Except for the limited warranty of title set forth below, Assignor makes no warranties, including warranty of merchantability or fitness for a particular purpose, express, implied, or statutory, concerning same.

RESERVATION OF OVERRIDING ROYALTY. Assignor reserves unto itself, its successors or assigns, and excepts from this assignment, an overriding royalty interest of an undivided **TWO AND ONE HALF PERCENT (2.50%) OF ALL (8/8)** oil, gas, products of oil and/or gas, and all other hydrocarbons, produced, saved and sold from the leases described in EXHIBIT A. Such overriding royalty interest shall be free of all development, production, and operating expenses and charges of any other nature and shall not be reduced by, or otherwise share in discharging, any Lease burdens. Such overriding royalty interest shall constitute a burden or obligation with respect to each lease included in EXHIBIT A, and shall exist for the life of each such lease plus any extensions or renewals thereof. For purposes hereof, "extension or renewal" includes but is not limited to any leasehold interest covering any portion of the lands described in EXHIBIT A, acquired by or for the benefit of Assignee or its successors or assigns within one (1) year following the termination, cancellation or surrender of any lease described in EXHIBIT A.

Assignor covenants with Assignee and its heirs, successors, legal representatives and assigns, that the interests and titles herein assigned are free and clear of liens and encumbrances made, suffered or incurred by, through or under Assignor; and that Assignor will forever warrant and defend the title to said interests against all persons whomsoever lawfully claiming or to claim the same by, through, or under Assignor, but not otherwise. Except for such limited warranty of title herein expressly provided, this assignment is made without warranties of any kind, either express or implied, and Assignor neither represents nor warrants the validity of any lease nor any right, title or interest of the lessee thereunder or incident thereto.

The provisions hereof shall be binding upon, and inure to the benefit of, Assignor and Assignee and their respective heirs, successors, affiliates, legal representatives and assigns.

3. **BILLINGS TO OTHERS.** During the Contract Operating Term,

(a) Operator shall oversee, prepare and send, in the name of and on behalf of Customer, all joint interest billings for the Operated Properties to joint interest owners of the Operated Properties;

4. **CONTRACT OPERATING TERM AND EARLY TERMINATION.** This Agreement commences as of the Effective Date and shall continue for a period of an initial period of five (5) years from the Effective Date and, year to year thereafter on an evergreen basis unless terminated by either Party at the end of the initial term or any year extension thereof by giving at least sixty (60) days advance notice the other Party prior to the expiration of the initial term or any year extension thereof. Operator shall secure and thereafter retain possession and control in its office of all records and files of Customer at such time as Operator deems desirable or reasonably necessary for providing Operating Services and Accounting Services, and Operator shall be provided with immediate electronic access to and furnish physical access to and/or copies of all records and files to Customer as deemed desirable or necessary by Operator or Customer to perform the Services contemplated under this Contract Operating Agreement.

5. **LIMITATION ON SERVICES.** The following limitations apply with respect to the Services contemplated hereunder in connection with performing the Operating Services:

(a) Other than this Contract Operating Agreement, Customer shall not enter into any Contract in its own name or on its own behalf having a duration in excess of three (3) calendar months and/or with respect to any proposed capital expenditures in excess of \$25,000.00 with respect to the operations of the Operated Properties during the Contract Operating Term without the prior consent of Operator, but rather Operator shall be obligated to secure, for formal execution by Customer upon Operator's recommendation, all Contracts reasonably acceptable to Operator and Customer that may be necessary for the operation of the Operated Properties or to otherwise perform the Services. Each of Operator and Customer agree to consult with other Party with respect to any Contract having a duration in excess of three (3) calendar months and/or with respect to any proposed capital expenditures in excess of \$25,000.00. Upon request, Operator agrees to join with Customer in the execution of any Contract requiring Operator's joinder, if any, that may be necessary for the operation of the Operated Properties during the Contract Operating Term of this Contract Operating Agreement; **provided, however, that Operator shall have no contractual liability under any such Contract and shall be entitled to indemnification from Customer pursuant to Paragraph 7(c) below.**

After receiving Operator's written recommendations, Customer shall be responsible for making, or directing Operator to make, any response or non-responses to any elections (including AFEs) pertaining to the Operated Properties, but Operator shall have no responsibility or liability therefore if Operator does not receive Customer's directions regarding an election to be made by Operator. **Operator (including for all purposes hereunder its officers, directors, employees, agents, consultants, or representatives) shall not be responsible for the accuracy of any information furnished in good faith by Operator or any of its Subsidiaries to Customer, and shall not be liable to Customer or to any third parties for any (i) claims based upon the inclusion of any inaccurate information furnished by Operator to Customer and used by Customer in any reports or (ii) results obtained from any other use by Customer of any inaccurate information so furnished.** Customer acknowledges and agrees that its employees and the employees of Operator's subsidiaries shall be required to, and will in fact, devote substantial time in assist Operator in the performance of Services to Customer and its subsidiaries to enable Operator to continue the operation of the Properties and the performance of the Operating Services and Accounting Services in the same manner as immediately prior to Commencement Date or as otherwise required by Contract or applicable law. (c) In the event Operator drills any well as a Contract Operator or undertakes any other drilling, workover or other capital expense operations (individually or collectively, **"Drilling Operations"**) with respect to any Operated Properties in which Operator either owns an interest, or will earn an interest, in the Properties, Operator's actions shall continue to be governed by this Contract Operating Agreement as between Customer and Operator, but Operator shall also be subject to the terms of any JOA, Participation Agreement, farmout agreement and/or other agreement to which Operator and/or the Properties are subject in the course of performing Operating Services with respect to the requested drilling, workover or other capital expense operations, including without limitation the Applicable Contracts. If such Drilling Operations are conducted on Properties in which Operator does not own, and is not acquiring, an interest in the Properties and such Drilling Operations are being conducted on the Properties at the request of Customer, then the parties agree that Operator shall not be exposed to, and Customer agrees to protect, defend, and hold Operator harmless from, any liability or responsibility for any acts or failures to act on the part of Operator with respect to any such operations undertaken by Operator at Customer's request, all of which operations shall be at Customer's sole risk and expense.

7. DISCLAIMER OF WARRANTIES/INDEMNIFICATION.

(a) Notwithstanding any other term of this Agreement to the contrary, Operator makes no, and in fact expressly disclaims any and all, representations and warranties, express, implied or statutory, with respect to the performance or results of the Services, except that Operator shall perform the Services during the term of this Agreement in a manner consistent with best industry practice, or as otherwise required by Contract or applicable law.

(b) **OPERATOR'S INDEMNITY. OPERATOR SHALL RELEASE, DEFEND, INDEMNIFY, AND HOLD HARMLESS CUSTOMER GROUP FROM AND AGAINST ANY AND ALL CLAIMS FOR OR BASED UPON DAMAGE TO PROPERTY, PERSONAL INJURY, BODILY INJURY OR DEATH OF ANY MEMBER OF THE CUSTOMER GROUP OR THE OPERATOR GROUP OR ANY THIRD PARTY TO THE EXTENT CAUSED BY ANY NEGLIGENT OR WILLFUL ACTS OR OMISSIONS OF ANY MEMBER OF OPERATOR GROUP OR BREACH BY OPERATOR OF ANY PROVISION OF THIS AGREEMENT OR ANY CONTRACT; PROVIDED THAT, IN THE EVENT OF JOINT OR CONCURRENT NEGLIGENCE OR FAULT OF CUSTOMER GROUP AND/OR A THIRD PARTY, THE INDEMNIFICATION OBLIGATION OF OPERATOR HEREUNDER SHALL BE LIMITED TO OPERATOR GROUP'S ALLOCABLE SHARE OF SUCH JOINT OR CONCURRENT NEGLIGENCE OR FAULT.**

OBLIGATION OF CUSTOMER HEREUNDER SHALL BE LIMITED TO CUSTOMER GROUP'S ALLOCABLE SHARE OF SUCH JOINT OR CONCURRENT NEGLIGENCE OR FAULT.

8. FORCE MAJEURE.

(a) If any Party is rendered unable, wholly or in part, by an event of force majeure to carry out its obligations under this Agreement, other than obligations to make money payments which shall not be affected by any such event, that Party shall give the non-affected Party prompt written notice of the force majeure event with reasonably full particulars of the event and its consequent inability to carry out its obligations, whereupon the obligations of the Party giving notice, to the extent affected by the event of force majeure, shall be suspended during, but no longer than, the duration of the event of force majeure. The affected Party shall use all reasonable diligence to remedy the inability to perform its obligation caused by the event of force majeure as quickly as reasonably possible under the circumstances.

(b) The requirement that any event of force majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes, lockouts, or other labor difficulty by the Party involved in a manner or on terms contrary to such Party's wishes, and the handling and resolution of such labor difficulties shall be entirely within the discretion of the Party concerned.

(c) The term "**event of force majeure**" shall mean an act of God, strike, lockout, or other industrial disturbance, act of the public enemy, war, blockade, terrorism, public riot, lightning, fire, storm, flood, explosion, governmental action, governmental delay, restraint or inaction, unavailability of equipment, and any other cause, whether of the kind specifically enumerated above or otherwise, which is not reasonably within the control of the Party claiming the inability or suspension of performance.

9. **ASSIGNABILITY.** This Agreement may not be assigned by Operator without the prior written consent of Customer, and Operator may not delegate its duties or responsibilities hereunder to a third party without the prior written consent of Customer. No assignment of any rights hereunder by Customer shall relieve Operator of any obligations and responsibilities hereunder.

10. **GOVERNING LAW; JURISDICTION, VENUE; JURY WAIVER.** THIS AGREEMENT AND THE LEGAL RELATIONS AMONG THE PARTIES SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF KANSAS, EXCLUDING ANY CONFLICTS OF LAW RULE OR PRINCIPLE THAT MIGHT REFER CONSTRUCTION OF SUCH PROVISIONS TO THE LAWS OF ANOTHER JURISDICTION. ALL OF THE PARTIES HERETO CONSENT TO THE EXERCISE OF JURISDICTION IN PERSONAM BY THE COURTS OF THE STATE OF TEXAS FOR ANY ACTION ARISING OUT OF THIS AGREEMENT. EACH PARTY HERETO WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW,

ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION, SUIT OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT.

11. **COUNTERPARTS.** This Agreement may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all of such counterparts shall constitute for all purposes one agreement. Any signature hereto delivered by a Party by facsimile transmission shall be deemed an original signature hereto.

12. **INDEPENDENT CONTRACTOR.** In their performance of the Services, Operator shall be considered an independent contractor, and in no event shall either Party be deemed a partner, co-venturer or agent of the other Party. None of the persons utilized by Operator in the performance of Services hereunder shall be deemed to be an employee of Customer nor entitled to any benefits available to a Customer employee. Compensation required to be paid to such persons engaged by Operator to perform any Services hereunder shall be the sole responsibility of Operator.

13. **NO RESTRICTIONS.** Customer recognizes that Operator is not performing the Services under this Agreement on an exclusive basis and agrees that Operator is only obligated to devote such time under this Agreement as is reasonably necessary to perform the Services in the same manner as Customer performed such Services immediately prior to the Commencement Date. Nothing contained in this Agreement shall prevent either Customer or Operator from engaging in any other business activities.

14. **NOTICES.**

16. **AMENDMENT.** This Agreement may be amended only by a formal written instrument duly executed by both Parties hereto.

17. **WAIVER: RIGHTS CUMULATIVE.** Any of the terms, covenants, representations, warranties, or conditions hereof may be waived only by a formal written instrument executed by or on behalf of the Party hereto waiving compliance. No course of dealing on the part of Customer and Operator, nor by their respective officers, employees, agents, or representatives, nor any failure by Customer or Operator to exercise any of its rights under this Agreement shall operate as a waiver thereof nor affect in any way the right of such Party at a later time to enforce the performance of such provision. No waiver by any Party of any condition, or any breach of any term, covenant, representation, or warranty contained in this Agreement, in any one or more instances, shall be deemed to be or construed as a further or continuing waiver of any such condition or breach or a waiver of any other condition or of any breach of any other term, covenant, representation, or warranty. The rights of Customer and Operator under this Agreement shall be cumulative, and the exercise or partial exercise of any such right shall not preclude the exercise of any other right.

18. **SEVERABILITY.** If any term or other provision of this Agreement is invalid, illegal, or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any adverse manner to any Party. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify this

Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.
