Without limiting the generality of the foregoing, such indemnities shall apply to all such claims, demands or causes of action arising directly or indirectly from or incident to, the use, occupation, operation, maintenance or abandonment of the Subject Property, whether past, present, or future, regardless of whether such claims are based on acts or omissions of Assignor or its predecessors under any theory of negligence, willful misconduct, liability without fault, or otherwise, whether before, on, or after the Effective Date of this Assignment, Deed and Bill of Sale, and shall extend and apply to any and all costs and expenses of whatsoever nature relative thereto, including, but not limited to, attorneys' fees and expenses.

Assignee shall be responsible for all other expenses applicable to the working interests assigned herein. There shall be no adjustment for ad valorem taxes for 2021.

8. Assignee will be liable for and agrees to pay all sales taxes or recording fees due as a result of this assignment. No commission, brokerage fee, documentary stamp or tax, filing fee or any other associated cost will be paid by Assignor in connection with this sale.

9. 10. The terms and conditions contained herein shall constitute covenants running with the land, and shall be binding upon, and for the benefit of, the respective successors and assigns of Assignor and Assignee.

This Assignment, Deed and Bill of Sale may be executed in any number of counterparts and each counterpart hereof shall be effective as to each party that executes the same whether or not all of such parties execute the same counterpart. If counterparts of this Assignment, Deed and Bill of Sale are executed, the signature pages from various counterparts may be combined into one composite instrument for all purposes.
