AMENDED PURCHASE AND SALE AGREEMENT

This Purchase and Sale Agreement (“Agreement”) is entered this 1st day of October, 2021, by and between: Palomino Petroleum, Inc. (hereafter “Seller”) and Harrison T. Gilliland, (hereafter “Purchaser”) (Seller and Purchaser are sometimes collectively referred to as “Parties”).

WHEREAS the parties desire to enter into this agreement for the purchase and sale of properties included in Exhibit “A”, on the terms set out herein.

NOW THEREFORE, the Parties agree as follows:

1. **Agreement to Buy and Sell.** Purchaser agrees to buy, and Seller agrees to sell, the items shown on Exhibit “A” (hereafter collectively the Properties), upon the terms set out herein. The Properties include, oil and gas leasehold interests and working interests, on the assigned acreage, and future liability, on the assigned acreage, well data of all types on the purchased properties, rights-of-way, easements, rights in unit agreements, spacing or pooling orders, joint operating agreements, and any other related agreements, all surface and down-hole equipment, gathering systems, fixtures, and other personal property used or obtained in connection therewith (each of which is herein referred to as a “Property”, and all of which are collectively referenced to as the “Properties”).

2. **Purchase Price.** The total purchase price for the Properties shall be [REDACTED], and shall be paid by the Purchaser on or before October 1, 2021. The purchase price is based on 100% of the working interests being sold. In the leases where 100% of the working interest is not available to sell, the purchase price will be reduced proportionately and calculated on a [REDACTED] per flowing barrel basis. It is also understood that there is a 20% carried working interest through the tanks (hereinafter “CWI”), further subject to the terms below, in favor of Zeal Oil Development, L.L.C., on the leases located in Butler County, Kansas. If, and only if there is single new well drilled on any of the Butler County leases, that only that single new well is subject to the 20% CWI, regardless of which lease it is on. In addition, it has been agreed upon that the seller will retain the equipment for the Popp #2.

3. **Closing.** The sale contemplated hereby shall close at the offices of the Seller on or before the 1st day of October 2021, at 10:00 a. m. CDT (hereinafter “Closing”) at which time the payment in the amount of [REDACTED], or reduced proportionately according to the terms set out in paragraph 2. hereof, shall be delivered to Seller.

4. **Prorations.** All expenses and income derived from the Property shall be effective October 1, 2021. Seller has received all income which accrued prior to the Effective Date. Seller has paid all taxes, assessments, expenses, and charges and received all income before the Effective Date. Purchaser shall pay all taxes, assessments, expenses, and charges and receive all income which accrues from the Property on the day of and after the Effective Date. The parties shall make a good faith attempt to allocate such income and expenses prior to Closing. In the

event that the Parties cannot determine the exact amount of taxes before Closing, such prorated amounts will be resolved before taxes are paid on the property.

5. **Effective Date.** The Effective Date of the transaction contemplated hereby shall be the 1st day of October 2021, at 7:00 a.m. CDT (hereinafter “Effective Date”).

6. **Operations after Closing.** Purchaser shall assume operations of the Properties at Closing and from and after Closing, Purchaser shall have full responsibility for the Properties and shall protect, defend, and indemnify Seller from all losses, claims, demands, suits, causes of action and sanctions of every kind known or unknown, including reasonable attorney’s fees and court costs, arising from the operation of the Properties from and after closing, or in any way pertaining to the leases described in Exhibit “A” and or any other Properties in this Agreement.

7. **Delivery of Assignments.** Upon closing on October 1, 2021 and payment of [REDACTED], or reduced proportionately according to the terms set out in paragraph 2. hereof, Seller will deliver to Purchaser, fully executed assignments in the form attached as Exhibit “B”.

- a. Seller agrees to deliver the fully executed assignments.
- b. The assignments shall be governed by the terms of this Agreement and if there are any other provisions in the Assignments that are inconsistent with the terms of this Agreement, the terms of this Agreement shall control.
- c. All individual Properties that are subject to taxes and assessments not yet due and payable at the time of Closing will be prorated. Purchaser to pay 25% and Seller to pay 75%.

8. **Title.** The parties stipulate and agree as follows:

- a. Seller will deliver assignments of all its right, title, and working interest in the Properties,
- b. All assignments of the Properties will be delivered without warranty of any kind, express or implied; however, Seller does warrant that no interest in the Properties will be assigned or encumbered between the date of title examination and the closing of the sale contemplated by this Agreement.

9. **Title Opinions.** Seller agrees to provide the Purchaser all Drilling Title Opinions and Division Order Title Opinions that have been completed on the leases described in Exhibit ‘A’.

10. **Failure of Seller to Close.** At the closing date, if Seller fails to deliver the assignments required by this Agreement or if assignments or encumbrances of any of the Properties are recorded as prohibited by paragraph 8.b hereof, and Purchaser is then ready, willing and able to close and is not then in default under paragraph 11 hereof, Seller shall be in default and this Agreement shall terminate.

11. **Failure of Purchaser to Close.** At the closing date, if Purchaser shall fail to pay Seller the purchase amount of [REDACTED], or reduced proportionately according to the terms set out in paragraph 2. hereof, and Seller is not in default under paragraph 10 hereof, Purchaser shall be in default and this Agreement shall terminate.
12. **Default by Seller and Purchaser.** If, at the closing date, both parties hereto are in default as provided in paragraphs 10 and 11 hereof, this Agreement shall terminate.
13. **Binding on heirs and assigns.** Unless otherwise provided herein, these terms and conditions will be binding on, and inure to the benefit of Purchaser and Seller and their respective heirs, representatives, successors, and assigns.
14. **Venue and Jurisdiction.** Seller and Purchaser expressly agree that the laws of the State of Kansas govern the validity, construction, interpretation, and effect of this Agreement. Venue for any claims hereunder shall be in any court of competent jurisdiction located within the State of Kansas.
15. **Entire Agreement.** This Agreement constitutes the entire agreement between the Parties and supersedes all prior agreements, documents, or other instruments with respect to the matters covered hereby. The Parties make, and have made, no oral agreements or undertakings pertaining to the subject matter of this Agreement, except for any that are no longer in effect. In the event of any irreconcilable conflict between the terms of this Agreement and any assignments or bills of sale contemplated hereby, the terms of this Agreement shall be controlling.
16. **Waiver.** No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions hereof (whether or not similar), nor shall such waiver constitute a continuing waiver unless otherwise expressly provided.
17. **Amendments.** This Agreement cannot be amended except by a writing signed by both parties.
18. **Captions.** The captions in this Agreement are for convenience only and shall not be considered a part of or affect the construction or interpretation of any provision of this Agreement.
19. **Notices.** In the event either party is required to provide notice to the other party, such notice shall be by hand-delivery, facsimile (if the confirmation sheet is retained as proof of delivery) with follow up by regular mail, certified mail, return receipt requested, or overnight delivery service. Notice shall be deemed given when received. Notice shall be sent to the following addresses:
