Re: Red Oak Energy, Inc. Intent to Sell certain Oil and Gas Leases and Wells
to HG Oil Holdings

Dear Mr. Gilliland

This letter, when executed by you, will evidence our mutual intent to enter into a definitive agreement relating to the purchase by HG Oil Holdings, ("HGO"), OF ALL OR PORTIONS OF the group of oil and gas leases and wells in Kansas, known as the "Assets" listed on Exhibit "A" attached to and made a part hereof, from Red Oak Energy, Inc., "ROE", Operator, and its working interest partners (collectively "ROE Group"). The matters set forth in Section I of this letter constitutes an expression of our mutual intent only and are contingent upon the execution and delivery of a definitive agreement between ROE and HGO setting forth in detail all the terms and provisions of the proposed purchase and sale of the Assets.

Section I

Upon execution of this letter Kevin C. Davis and Harrison Gilliland will endeavor to enter into a definitive purchase and sale agreement setting forth in detail all of the specific terms and conditions upon which HGO will purchase and ROE Group will sell ALL OR PORTIONS OF the producing oil and gas leases, including all producing wells, fixtures and equipment, Salt Water Disposal Facilities and Pressure Maintenance wells facilities located thereon, in what is known as the Assets, and any seismic data relating thereto. That purchase and sale agreement shall contain representations, warranties, covenants, and conditions that are customarily contained in such agreements for similar transactions, together with ancillary documents that are necessary to accomplish the transaction.

The purchase price for the Assets, subject to adjustments in accordance with the purchase and sale agreement, payable at closing of the transaction, shall be: (A) \$8,512,446, based on 100% of the Working Interest of ROE and the ROE Group for the Assets. The Closing of the transaction is anticipated to occur on or before April 2, 2022, or as otherwise agreed by the parties. ROE shall deliver all of the Working Interest from the CONSENTING ROE Group in the oil and gas leases as described on Exhibit "A" hereto, together with all of the assets used or useful in the operation and ownership of the Assets. The Working Interest Assigned to HGO is subject to Royalty and Overriding Royalty as it appears in the various County Courthouses as it appears of record on January 24, 2022, and as shown on Exhibit "A".

Section II

As requested by HGO, ROE shall provide HGO with access to any data in its possession pertaining to the Assets (during normal business hours at the sole cost and expense of HGO) and allow HGO and its representatives reasonable access to the Assets in order to conduct a physical inspection of the Assets.

Each of the parties, including their respective agents, officers and employees, shall maintain the confidentiality of all information received from the other party or reviewed by that party in connection with the proposed acquisition, except information already in the public domain or independently received from a third party.

This proposed sale of all or portions of the Asset are subject to Working Interest Partner consent and approvals and subject to any contractual agreements that pertain to the Assets.

It is understood by the parties hereto that Section I of this letter merely sets forth a statement of the mutual intentions of the parties with respect to the proposed purchase and sale agreement outlined herein and does not contain all matters upon which agreement must be reached in order for the proposed transaction to be consummated. A binding commitment with respect to the proposed sale of all or portions of the Assets will result only from the execution and delivery of a final and definitive Purchase and Sale Agreement.

Neither this letter nor any of the rights, interests, or obligations hereunder may be assigned by any of the parties hereto without the prior written consent of the other party. Each party shall bear and pay its own expenses incurred in connection with the transaction contemplated hereby.

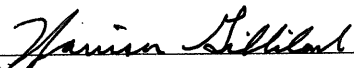

The provisions of Section II of this letter constitute the entire binding agreements between the parties and supersede all prior oral or written agreements, understandings, representations, and warranties between the parties with respect to the subject matter of Section II.

If the foregoing accurately sets forth the understanding between us with regard to the proposed purchase and sale of all or portions of the Assets, please sign this letter in the space provided below for your signature and return it to me.
