ARTICLE VI MISCELLANEOUS

Section 6.1 Assignment Subject to Agreement. This Assignment is expressly made subject to the terms of the Purchase Agreement (which terms shall control in the event of a conflict herewith). If there is a conflict between the terms of this Assignment and the Purchase Agreement, the terms of the Purchase Agreement shall control. The Purchase Agreement contains certain representations, warranties, covenants, indemnities and agreements between the parties, some of which may survive the delivery of this Assignment, as more particularly provided for therein, but

Third Parties may conclusively rely on this Assignment to vest title to the Acquired Assets in Assignee.

Section 6.2 Separate Assignments. Where separate deeds and assignments of Acquired Assets have been or will be executed for filing with, and approval by, applicable Governmental Authorities, any such separate deeds and assignments (a) shall evidence this Assignment and assignment of the applicable Acquired Assets herein made and shall not constitute any duplication of this assignment of the same Acquired Assets, (b) are not intended to modify, and shall not modify, any of the terms, covenants and conditions or limitations on warranties set forth in this Assignment or the Purchase Agreement and are not intended to create, and shall not create, any representations, warranties or additional covenants of or by Assignors to Assignee, and (c) shall be deemed to contain all of the terms and provisions of this Assignment, as fully and to all intents and purposes as though the same were set forth at length in such separate assignments.

Section 6.3 Governing Law/Waiver of Jury Trial. This Assignment shall be governed by and construed in accordance with the internal laws of the State of Texas applicable to agreements made and to be performed entirely within such State, without regard to any choice-of-law or conflicts-of-law provision or rule (whether of the State of Texas or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Texas; *provided, however*, with respect to conveyancing matters as to any Acquired Asset, the Laws of the state where such Acquired Asset is located shall govern and control such determination. **EACH PARTY HEREBY UNCONDITIONALLY AND IRREVOCABLY WAIVES ITS RIGHT TO A JURY TRIAL IN ANY LAWSUIT, ACTION, OR PROCEEDING BETWEEN OR AMONG THE PARTIES ARISING OUT OF OR RELATING TO THIS ASSIGNMENT.**

Section 6.4 Successors and Assigns. This Assignment shall bind and inure to the benefit of the parties hereto and their respective successors and assigns.

Section 6.5 Counterparts. This Assignment may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all of such counterparts shall constitute for all purposes one agreement. Any signature hereto delivered by a Party by facsimile transmission shall be deemed an original signature hereto. To facilitate the recording or filing of this Assignment, the counterpart to be recorded in a given county may contain only that portion of the exhibits that describes Acquired Assets located in that county.

Section 6.6 Further Cooperation. After the Closing, Assignors and Assignee shall execute and deliver, or shall cause to be executed and delivered from time to time, such further instruments of conveyance and transfer, and shall take such other actions as any Party may reasonably request, to transfer and deliver the Acquired Assets to Assignee, and to otherwise accomplish the orderly transfer of the Acquired Assets to Assignee in the manner contemplated by this Assignment.
