PURCHASE AND SALE OF OIL AND GAS LEASEHOLD INTERESTS

THIS PURCHASE AND SALE OF OIL AND GAS LEASEHOLD INTERESTS (“Agreement”) is made and entered into this 30th day of May, 2023, by and between **Liberty Operations & Completions, Inc.**, a Kansas Corporation (“Liberty”) with principal offices located in Plainville, Kansas, and the Working Interest Owners, by and through Roger Comeau, duly authorized attorney in fact, collectively referred to with Liberty as “Sellers”, and **Bach Oil Production, Inc.**, a Kansas Corporation with principal offices in Phillipsburg, Kansas, hereinafter referred to as “Buyer”.

WHEREAS, Sellers by and through Liberty as their agent desire to sell to Buyer and Buyer desires to purchase from Sellers, on the terms and subject to the conditions set forth in this Agreement, Sellers’ working interests in the (1) oil and gas leases located in Rooks and Ellis Counties, Kansas which are described in Exhibit “A” (“Leases”); (2) saltwater disposal wells located in Rooks and Ellis Counties, Kansas which are described on Exhibit “B” (“SWDs”); and (3) all personal property and equipment used to operate the Leases and SWDs which are currently located on the leasehold properties in Rooks and Ellis Counties, Kansas, described in Exhibit “C” (“Equipment”) including but not limited to wellheads, tanks, pumps, compressors, separators, heater treaters, heating elements, valves, fittings, equipment, machinery, fixtures, flowlines, pipelines, and tubular goods. The Equipment shall also include all well and log files, seismic studies, and other data and records related to the drilling, operation, and development of the Leases maintained by Liberty. All of the Leases, SWDs, and equipment files shall be referred to as “the Properties”.

NOW, THEREFORE, in consideration of the premises and mutual promises herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Sellers and Buyer agree as follows:

1. **Purchase Price for the Leases.** The purchase price for the leasehold interests will be determined after the owners of the leasehold interests, as described on Exhibit “D”, have been given the opportunity to elect to sell, as further described in Paragraph 5. It is further agreed that said purchase price shall not exceed \$1,057,365.94, being the total purchase price in the event all owners have agreed to sell under the terms of this agreement. The allocation of the maximum purchase price is set forth on Exhibit “E” of this agreement.

2. **Purchase Payment.** In consideration for the purchase of the working interests Buyer shall pay to each Seller electing to sell such Seller’s allocated share of the purchase price as stated on Exhibit “E” to the Escrow Agent at closing.

3. **Escrow Agent.** Sellers and Buyer agree to execute a mutually acceptable agreement appointing Jeter Turner Sook Baxter, LLP, as Escrow Agent to receive and hold all funds and documents necessary and required to close this sale under the terms of this Agreement. The Escrow Agent shall act as the closing agent for the parties as provided in Paragraph #4 herein.

4. **Closing.** The closing of the transaction contemplated by this Agreement (“the Closing”) shall occur on or before August 1, 2023 (“Closing Date”), at such place as is mutually agreeable to Buyer and Sellers, or such other date, time, and place as Sellers and Buyer may agree in writing. At the Closing, the following shall occur:

- a. Sellers shall deliver to Buyer assignments of the leasehold interests of those Sellers electing to sell their interests in and to the Leases, SWDs and Equipment, all of which assignments and bills of sale shall warrant Sellers’ interests assigned/conveyed to be free and clear of all mortgages, liens and encumbrances of every nature arising by, through or under Sellers, but not otherwise.
- b. Liberty, the current operator of record for all wells located on the Leases, shall deliver to Buyer all documents required by the Kansas Corporation Commission necessary to transfer Liberty’s right to operate the Leases and SWDs to Buyer.
- c. Sellers shall provide executed agency and/or power of attorney documents executed by those non-operating Working Interest Owners who are Sellers herein sufficient to show that Liberty or Comeau has the power and authority to execute assignments, bills of sale, and other documents necessary to consummate this sale and to vest merchantable title to Buyer.
- d. Subject to elections under Paragraph 5, Buyer shall tender the Purchase Price in the amount allocated to each working interest Seller as set forth on Exhibit “E” attached hereto, which payment shall be made to the Escrow Agent for distribution to the Sellers.
- e. The Escrow Agent shall prepare for Buyer and Sellers’ approval, the Closing Statement and/or any such other instruments as are reasonably necessary to effectuate the conveyance of the Properties to Buyer.
- f. Escrow Agent shall deliver the net sale proceeds to the Sellers and the assignments, bills of sale, and other documents necessary to vest merchantable title to Buyer.

5. **Election to Sell.** Upon execution of this agreement, Liberty agrees to diligently inform all owners of leasehold interest of the terms of this agreement and their right to sell for their proportionate share of the purchase price, as shown on Exhibit “E”. Said owners shall have thirty (30) days from the execution of this agreement to indicate, in writing, whether they intend to sell or retain their interest in the Leases. It is agreed and understood that the owners may not elect to sell interests in specific leases, while retaining other leases. If an owner elects to sell, it is understood that all interest in all leases must be sold as part of this agreement. However, it is further agreed and understood that the requirement to sell all interests does not apply to Roger L. Comeau, Trevo, LLC, Liberty II, Inc., Liberty Enterprises, Inc., and Liberty Operations & Completions are given the option to retain, collectively, up to 50% leasehold interest in the Charolais, Cora, Howat, Thompson, and Westhusin B leases.

6. ***Sellers's Representations and Warranties.*** Sellers represent and warrant to Buyer that, as of Closing, the following statements are accurate:

- a. Sellers are the collective owners of net revenue interests attributable to each Lease as exhibited on Exhibit "A".
- b. Leasehold Sellers are the owners of the undivided interest in the SWDs and Equipment as set forth on Exhibit "B" attached hereto.
- c. Each Seller, if not an individual, is a duly organized and validly existing company, in good standing, under the state of its organization and has the necessary power and authority to own the Leases and SWDs and to carry on business as now conducted and to enter into and to carry out the terms of this Agreement and further ratify and confirm that Liberty or Comeau, as the case may be, is the duly appointed and acting agent and/or attorney in fact for purposes of carrying out the terms of this transaction.
- d. The Properties will be transferred and assigned to Buyer, free and clear of all liens, mortgages, security interests or other such encumbrances arising by, through or under Sellers. The parties understand that Bennington State Bank, Bennington, Kansas currently has a Mortgage and Security Interest upon the leasehold interest owned by Liberty and its related entities and that such Mortgage will be satisfied and released and all security interests will be terminated as part of the closing hereof using a portion of the Purchase Price. Sellers have not granted any other mortgages encumbering the Properties except the referred Mortgage to Bennington State Bank.
- e. There are no third-party preferential rights pertaining to the assignment or transfer of any of the Properties from Sellers to Buyer.
- f. Subject to approval of the US Bankruptcy Court, Topeka, Kansas, which may occur after the filing of a motion and twenty-one (21) day notice to interested parties. Liberty represents that the filing of said motion shall occur as soon as practical following the execution of this Agreement.
- g. To the best of Sellers' knowledge, there are no environmental hazards caused by Sellers' operation of oil and/or gas wells existing on the Leases.
- h. There are no outstanding bills for labor, services, or materials provided on the Properties, nor are there any liens for labor, services, or materials that have attached to the Properties.
- i. There are no outstanding liens or warrants on the Properties for unpaid taxes/fees/assessments due to the State of Kansas, the United States of America, or any other governmental agency, subdivision or authority; and that there are no outstanding balances due for said taxes/fees/assessments that have not yet become a lien or warrant on the Properties.

- j. That Sellers are not now, or threatened to be, a party to any lawsuit or action by any governmental agency, subdivision or authority of the State of Kansas or United States of America.
- k. Prior to closing, Sellers agree not to sell or remove oil from the tanks except for sale to regular oil purchasers in the course of business.

7. ***Buyer' Representations and Warranties.*** Buyer represents and warrants to Sellers that, as of closing, the following statements are accurate:

- a. Buyer is a Kansas Corporation in good standing with principal offices in Alma, Kansas and is legally entitled to enter into and carry the terms of this Agreement and the transactions contemplated by this Agreement and further that Jason Bach, President of the Corporation is authorized and empowered to execute all documents for purposes of consummating this transaction.
- b. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly authorized by all necessary approval action by or on behalf of Buyer.
- c. Buyer has not incurred any liability, contingent or otherwise, for broker's or finder's fees relating to the transaction contemplated in this Agreement for which Sellers shall have any responsibility whatsoever.
- d. Buyer has arranged for financing through Equity Bank, Norton, Kansas to have sufficient financing to consummate this transaction as contemplated herein.
- e. Buyer has conducted its own independent investigation, review and analysis of the Properties, and acknowledges that it has been provided adequate access to the Leases and SWDs, assets, premises, and other documents and date of Seller for such purpose. Buyer acknowledges and agrees that: (a) in making its decision to enter into this Agreement and to consummate the transactions contemplated hereby, Buyer has relied solely upon its own investigation and the express representations and warranties of Seller solely as set forth in this Agreement; and (b) neither Seller nor any other person has made any representation or warranty on behalf of Seller, regarding the properties being sold, except as expressly set forth in this Agreement.

8. ***Title.*** Sellers desire to retain the services of Jeter Turner Sook Baxter, LLP, Hays, Kansas to provide Sellers with a transaction title opinion to assure itself that the Working Interest Owners which Liberty represents have good and merchantable title in and to the Properties being sold herein. The costs for such title research and opinions is estimated to be \$15,000.00, which amount shall be advanced by Buyer and to be paid to Jeter Turner Sook Baxter, LLP Trust Account to be applied toward title research and opinions upon completion of such work. In the event Buyer secures a separate acquisition title opinion, it shall due so at its sole cost and expense. In the event title opinion of Jeter Turner Sook Baxter, LLP in and to the Leases and SWDs discloses defects in title, such that the same is not merchantable, then Buyer shall promptly notify Sellers of all title

defects rendering Sellers' title unmarketable. After such notice is given, Sellers shall have not less than thirty (30) days thereafter in which to elect to remedy or cure such title defects. Buyer shall be responsible for all costs associated with such title examination and Sellers shall pay all costs to remedy or cure any title defects which Sellers elect to remedy or cure. Sellers consent and agree that the acquisition opinions of Jeter Turner Sook Baxter, LLP may be submitted to and relied upon by Equity Bank, Norton, Kansas for purposes of securing a first oil and gas mortgage against the leasehold interests.

Buyer may in its sole discretion elect not to require title opinions on certain leases described herein, in which case, Buyer shall acquire such leases subject to any title defects or burdens. A list of such excluded leases shall be provided to Sellers in writing upon execution of this Agreement.

9. ***Buyer's Rescission.*** Buyer may rescind this Agreement, at its sole discretion prior to Closing, for any of the following reasons:

- a. Sellers failing to remedy or cure a title defect rendering Sellers' title in and to the Leases unmarketable within 30 days of Buyer providing notice to Sellers of such defect or Sellers have notified that Sellers have elected not to cure such title defects.
- b. Sellers' failure to provide Buyer with the net revenue interests identified in Exhibit "A" attributable to the Leases being sold herein.

Rescission shall be made by Buyer to Sellers in writing and shall disclose the reason for the rescission. If rescission is made for any of these reasons, Buyer shall be entitled to return of the unearned portion of the title opinion deposit.

10. ***Sellers' Rescission and Breach.*** Sellers may rescind this Agreement, at their sole discretion, for the following reason:

- a. The cost of remedying or curing title defects identified by Buyer in Paragraph 6 becomes prohibitive. For purposes of this clause, Sellers and Buyer agree that Sellers may not invoke this clause if the expected costs for remedying or curing title defects do not exceed \$25,000.00.

Rescission shall be made by Sellers to Buyer in writing and shall disclose the reason for the rescission. Any other attempt by Sellers to rescind this Agreement or a failure by Sellers to close the transaction contemplated by this Agreement, except to the extent rescission is explicitly permitted by this paragraph 8, will be deemed by Buyer to be a breach of Sellers' obligations under this Agreement. In the event of a breach by Sellers, then Buyer may elect to: (1) Cancel this

Agreement, Sellers shall reimburse Buyer for reasonable expenses, including but not limited to the costs of title work and attorneys' fees, that Buyer has suffered in preparing to close this Agreement; (2) seek specific enforcement of this Agreement; or (3) pursue any such other legal or equitable remedies as may be available to Buyer under applicable law.

- d. The parties agree to jointly gauge produced oil in the tanks prior to closing. Such produced oil shall be the sole property of Sellers. Buyer shall sell such produced oil based on the average price of oil for the 45 day period prior to closing at the Kansas common price for Coffeyville Resources. Buyer shall, within a reasonable time after Closing, determine the revenue associated with such production based on such price and make payment of such amount to Sellers.

13. **Mutual Indemnification, including Indemnification for Negligence.** Sellers agree to indemnify and hold Buyer harmless from any and all costs, attorney fees, liabilities, expenses, suits, judgments, payment of royalty, damages to persons or property or compliance with State and Federal laws and regulations arising from its ownership and operation of the Properties with respect to Sellers' interest in the Properties incurred prior to the Closing Date as well as any breach of the representations or warranties of Sellers to Buyer set forth in this Agreement. Sellers agree that this indemnity will cover any and all non-negligent and NEGLIGENT acts, errors, mistakes and omission caused by Sellers or Sellers' employees, agents, or subcontractors, during Sellers' ownership of the Properties with respect to Sellers' interest in the Properties. **Sellers agree that Sellers have read and reviewed this provision and that it is the result of fair and honest negotiations between Sellers and Buyer.**
