ASSIGNMENT TERMS:

1. GENERAL WARRANTY. Assignor makes this Assignment with general warranty. Assignee accepts the Assigned Property with general warranty by Assignor that Assignor is the owner of the Assigned Property which consists of not less than the overriding royalty interest set forth on Exhibit 1 which represents not less than the net revenue interest set forth on Exhibit 1 in and to each of the Leases; and has good and marketable title thereto free and clear of any encumbrances of any kind. Assignor further represents and warrants that no agreements or other documents have been executed which inhibit Assignor's ability to convey good and marketable title in and to the Assigned Property to Assignee at the time and under the terms described herein. The Leases are valid and subsisting oil and gas leases and are not subject to any joint operating agreements, development agreements or other contracts which will be binding upon Assignee or

might otherwise effect Assignee's ability to develop, operate and produce from said Leases after the effective date of this Assignment.

2. MERGER OF OVERRIDING ROYALTY. In the event the interest assigned herein consists entirely or partly of overriding royalty interest. It is the intention of the Parties that any overriding royalty interest in and to the Leases which burdens the working interest assigned hereon be merged back into the working interests and lose its status as an overriding royalty interest immediately upon the receipt of said interest by Assignee. Therefore, Assignee will be the owner of all of the working interest in and to the Leases, without any overriding royalty interest burdening said working interest. Provided however that all overriding royalty interests assigned hereto burdening any working interest which is not assigned herein shall not be merged with the working interest and shall retain its status as overriding royalty.

3. TRANSFER OF RIGHTS. To the extent transferable, Assignee is hereby granted the right of full substitution and subrogation in and to any and all rights and warranties which Assignor has or may have with respect to the Assigned Property conveyed herein of which Assignor has or may have against any and all preceding owners, vendors or warrantors. The Assigned Property shall include all right, title and interest which Assignor may have in and to the Leases or the real property covered thereby, including but not limited to, leasehold interests, rights of assignment or reassignment, fee interests, royalties or overriding royalties, contractual rights, regulatory authorities and permits or licenses, easements and rights-of-way.

4. TERMINATION OF JOINT DEVELOPMENT AGREEMENT. Assignors do further stipulate and agree that the certain Joint Development Agreement entered into by and between Haas Petroleum, LLC and certain of Assignors dated December 24, 2014 has been terminated and is no longer in effect and no party has any continuing rights arising under said agreement.

5. FURTHER ASSURANCES. The parties agree to execute, acknowledge and deliver such other and further instruments or documents, and to take such other and further actions as may be reasonably necessary to carry out the provisions of this Assignment.

6. EFFECTIVE DATE. This Conveyance shall be effective as of April 1, 2023, at 12:01 a.m., central standard time.

TO HAVE AND TO HOLD the above described property and easement with all and singular the rights, privileges, and appurtenances thereunto or in any wise belonging to the said Assignee herein, its successors, personal representatives, administrators, executors and assigns forever.
