Seller also grants, sells, conveys and transfers unto Purchaser all of Seller's right, title and interest in and to all easements, right-of-ways, lease agreements and any other agreement used or in any way pertaining to operation of the Leases transferred herein. 4. All costs and expenses incurred for operations in any way attributable to the Leases after the Effective Date will be paid by Purchaser.
5. Any of the leases on Exhibit A that are sharing or using facilities that will continue to be operated by Seller, such as disposal wells or tank pads, will require a separate agreement to be provided and executed prior to close.

7. On, after and as of the Effective Date, Purchaser shall assume full responsibility for the property purchased and shall protect, defend, indemnify and hold Seller, its assignees and working interest owners in the Leases, their officers, employees or agents, harmless from and against any and all losses, claims, demands, suits, causes of action and sanctions of every kind, known or unknown, including reasonable attorney's fees and court costs, arising from the operation of, or in any way pertaining to the Leases. Purchaser assumes full responsibility for all plugging, restoration and clean-up of the lease and production facilities.
