Purchase and Sale Agreement

Luke Pfannenstiel
Rebel Oil LLC
305 W. 40th Street
Hays, KS 67601

This Agreement (“Agreement”) is to put into writing whereby **Rebel Oil LLC** (Purchaser) agrees to purchase from **Trans Pacific Oil Corporation**, et al (Seller), the lease (“Lease”) as described on the attached Exhibit “A”, under the below listed terms and conditions. If the following terms and conditions properly state the Agreement between Purchaser and Seller, please so indicate by executing this Letter Agreement in the space provided on the last page of said Agreement and return the original to Trans Pacific Oil Corporation along with a security deposit of [REDACTED]

1. Purchaser agrees to pay [REDACTED] (“Purchase Price”) for the Leases and any equipment, lines, wellbores, or other property associated with the Leases effective March 1st, 2024, as described on Exhibit “A”. Seller also grants, sells, conveys and transfers unto Purchaser all of Seller’s right, title and interest in and to all easements, right-of-ways, lease agreements and any other agreement used or in any way pertaining to operation of the Leases transferred herein. This Purchase Price is based upon 100% of the working interest associated with the Leases. Seller does not warrant its ability to deliver 100% of the working interest associated with the Leases at close. In the event Seller cannot deliver 100% of the working interest, the Purchase Price will be proportionately reduced to reflect the lower working interest delivered at closing.
2. The Effective Date will be March 1st, 2024 (“Effective Date”). All saleable oil on the lease whether in the stock tanks or in the separator shall remain the property of the Seller and shall be removed prior to close, or the value shall be adjusted at closing. Any oil remaining after close shall become the property of Purchaser.
3. Closing shall occur on or before March 15th, 2024 (“Closing”) at the office of Trans Pacific Oil Corporation or remotely. If Purchaser is unable to close, due to lack of funds or for any other reason, this Agreement shall become null and void.
4. All costs and expenses incurred for operations attributable to the Leases after the Effective Date will be paid by Purchaser.
5. Any of the leases on Exhibit A that are sharing or using facilities that will continue to be operated by Seller, such as disposal wells or tank pads, will require a separate agreement to be provided and executed prior to close.

6. Purchaser acknowledges that it has examined the Leases and Seller is delivering the Leases and all associated equipment AS IS, WHERE IS, including any defects, whether known or unknown by Seller. Seller expressly disclaims all warranties, whether express, implied or statutory. Purchaser does hereby agree to protect, indemnify and hold Seller, its employees, agents and contractors free and harmless from any and all losses, claims, damages, demands and causes of action arising directly or indirectly in connection with the Leases and to relieve Seller, its employees, agents and contractors from any and all liability incurred directly or indirectly as a result of Leases.
7. On, after and as of the Effective Date, Purchaser shall assume full responsibility for the property purchased and shall protect, defend, indemnify and hold Seller, its assignees and working interest owners in the Leases, their officers, employees or agents, harmless from and against any and all losses, claims, demands, suits, causes of action and sanctions of every kind, known or unknown, including reasonable attorney's fees and court costs, arising from the operation of, or in any way pertaining to the Leases. Purchaser assumes full responsibility for all plugging, restoration and clean-up of the lease and production facilities.
8. Upon execution of this Agreement, Purchaser agrees to tender an earnest money down payment of [REDACTED] to Seller. This amount shall be non-refundable in the event Closing does not occur.
9. Upon Closing, Purchaser shall tender to Seller, the remainder of the Purchase Price of [REDACTED] along with any other adjustments described herein.
10. Upon Closing and payment in full, Seller will deliver to Purchaser, executed T-1 forms as required by the Kansas Corporation Commission citing Purchaser as Operator from the closing date. Seller shall file the executed T-1 forms to the Kansas Corporation Commission and shall provide a copy of the approved T-1 form to the Purchaser upon receipt from the Kansas Corporation Commission.
11. Upon Closing and payment in full, Seller will deliver to Purchaser fully executed assignments of working interest.
12. Unless otherwise provided herein, these terms and conditions will be binding on, and inure to the benefit of Purchaser and Seller and their respective heirs, representatives, successors and assigns.
