## Purchase and Sale Agreement

Marty Patterson  
Production Drilling Inc.  
1023 Reservation Road  
Hays, KS 67601

This Agreement (“Agreement”) is to put into writing whereby **Production Drilling Inc.** (Purchaser) agrees to purchase from **Trans Pacific Oil Corporation** (Seller), the leases and/or wellbores (“Leases”) as described on the attached Exhibit “A”, under the below listed terms and conditions. If the following terms and conditions properly state the Agreement between Purchaser and Seller, please so indicate by executing this Agreement in the space provided on the last page of said Agreement and return the original to Trans Pacific Oil Corporation along with a security deposit of \$ [REDACTED].

1. Purchaser agrees to pay [REDACTED] (“Purchase Price”) for the Leases and any equipment, lines, wellbores, or other property associated with the Leases effective July 1st, 2024, as described on Exhibit “A”. Seller also grants, sells, conveys and transfers unto Purchaser all of Seller’s right, title and interest in and to all easements, rights-of-way, leases agreements and any other agreement used or in any way pertaining to operation of the Leases transferred herein. This Purchase Price is based upon 100% of the working interest associated with the Leases. Seller does not warrant its ability to deliver 100% of the working interest associated with the Leases at close. In the event Seller cannot deliver 100% of the working interest, the Purchase Price will be proportionately reduced to reflect the lower working interest delivered at closing.
2. The Effective Date will be July 1st, 2024 (“Effective Date”). All saleable oil on the leases whether in the stock tanks or in the separator shall remain the property of the Seller and shall be removed prior to close, or the value shall be adjusted at closing. Any oil remaining after close shall become the property of Purchaser.
3. Closing shall occur on or before July 1st, 2024 (“Closing”) at the office of Trans Pacific Oil Corporation or remotely. If Purchaser is unable to close, due to lack of funds or for any other reason, this Agreement shall become null and void.
4. All costs and expenses incurred for operations attributable to the Leases after the Effective Date will be paid by Purchaser.
5. Purchaser acknowledges that it has examined the Leases and all related contracts and agreements, and Seller is delivering the Leases and all associated equipment AS IS, WHERE IS, including any defects, whether known or unknown by Seller. Seller expressly disclaims all warranties, whether

express, implied or statutory. Purchaser does hereby agree to protect, indemnify and hold Seller, its employees, agents and contractors free and harmless from any and all losses, claims, damages, demands and causes of action arising directly or indirectly in connection with the Leases and to relieve Seller, its employees, agents and contractors from any and all liability incurred directly or indirectly as a result of Leases.

6. On, after and as of the Effective Date, Purchaser shall assume full responsibility for the property purchased and shall protect, defend, indemnify and hold Seller, its assignees and working interest owners in the Leases, their officers, employees or agents, harmless from and against any and all losses, claims, demands, suits, causes of action and sanctions of every kind, known or unknown, including reasonable attorney's fees and court costs, arising from the operation of, or in any way pertaining to the Leases. Purchaser assumes full responsibility for all plugging, restoration and clean-up of the leases and production facilities.
7. Upon execution of this Agreement, Purchaser agrees to tender an earnest money down payment of [REDACTED] to Seller. This amount shall be non-refundable in the event Closing does not occur.
8. Upon Closing, Purchaser shall tender to Seller the remainder of the Purchase Price of [REDACTED] along with any other adjustments described herein. Taxes will be prorated based on 2023 totals.
9. After Closing and payment in full, Seller will deliver to Purchaser, executed T-1 forms as required by the Kansas Corporation Commission citing Purchaser as Operator from the closing date. Seller shall file the executed T-1 forms to the Kansas Corporation Commission and shall provide a copy of the approved T-1 form to the Purchaser upon receipt from the Kansas Corporation Commission.
10. Upon Closing and payment in full, Seller will deliver to Purchaser fully executed assignments of working interest. Once Purchaser executes and records all assignments, Purchaser will furnish Seller with copies no later one month after the Closing date.
11. Unless otherwise provided herein, these terms and conditions will be binding on, and inure to the benefit of Purchaser and Seller and their respective heirs, representatives, successors and assigns.
