*When filing a Form T-1 involving multiple surface owners, attach an additional sheet listing all of the information to the left for each surface owner. Surface owner information can be found in the records of the register of deeds for the county, and in the real estate property tax records of the county treasurer.*

*If this form is being submitted with a Form C-1 (Intent) or CB-1 (Cathodic Protection Borehole Intent), you must supply the surface owners and the KCC with a plat showing the predicted locations of lease roads, tank batteries, pipelines, and electrical lines. The locations shown on the plat are preliminary non-binding estimates. The locations may be entered on the Form C-1 plat, Form CB-1 plat, or a separate plat may be submitted.*

**Select one of the following:**

- I certify that, pursuant to the Kansas Surface Owner Notice Act (see Chapter 55 of the Kansas Statutes Annotated), I have provided the following to the surface owner(s) of the land upon which the subject well is or will be located: 1) a copy of the Form C-1, Form CB-1, Form T-1, or Form CP-1 that I am filing in connection with this form; 2) if the form being filed is a Form C-1 or Form CB-1, the plat(s) required by this form; and 3) my operator name, address, phone number, fax, and email address.
- I have not provided this information to the surface owner(s). I acknowledge that, because I have not provided this information, the KCC will be required to send this information to the surface owner(s). To mitigate the additional cost of the KCC performing this task, I acknowledge that I must provide the name and address of the surface owner by filling out the top section of this form and that I am being charged a \$30.00 handling fee, payable to the KCC, which is enclosed with this form.

*If choosing the second option, submit payment of the \$30.00 handling fee with this form. If the fee is not received with this form, the KSONA-1 form and the associated Form C-1, Form CB-1, Form T-1, or Form CP-1 will be returned.*

I hereby certify that the statements made herein are true and correct to the best of my knowledge and belief.

**ASSIGNMENT, CONVEYANCE, BILL OF SALE AND AGREEMENT WITH RESERVATION  
OF OVERRIDING ROYALTY AND MINERALS**

STATE OF KANSAS )  
 ) KNOW ALL MEN BY THESE PRESENTS:  
COUNTIES OF BARBER AND COMANCHE )

THIS ASSIGNMENT, CONVEYANCE, BILL OF SALE AND AGREEMENT WITH RESERVATION OF OVERRIDING ROYALTY AND MINERALS (the “Assignment”) is made between CURTIS F. CLARK AND KATHLEEN T. CLARK, INDIVIDUALLY AND D/B/A CLARK EXPLORATION COMPANY, whose address is 9362 Loggia Street Unit A, Highlands Ranch, CO 80126 (“Assignor”), and IEP KANSAS GAS, LLC, whose address is 1457 County Road JJ, Burlington CO 80807 (“Assignee”).

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby **GRANT, SELL, ASSIGN, CONVEY, TRANSFER, SET OVER AND DELIVER** unto Assignee, its successors and assigns, effective at 7:00 a.m. local time on April 15, 2024 (the “Effective Time”), subject to the provisions of this Assignment including, without limitation, the reservation by Assignor of the Retained Minerals, Retained Lease Rights, and Retained ORRI (as such terms are defined below), all of Assignor’s right, title and interest in and to the following described properties and rights (collectively referred to as the “Properties”):

(a) The oil, gas and mineral leases and the leasehold estates created thereby, described in **Exhibit A** attached hereto (the “Leases”), together with corresponding interest in and to all the property and rights incident thereto, including all rights in any pooled, unitized or communitized acreage, and all interests in any wells within the pool or unit associated with the Land;

(b) All producing, non-producing, shut-in and abandoned oil and gas wells, salt water disposal wells, injection wells, and water wells located on the Leases or lands pooled, unitized or communitized therewith, including the wells described in **Exhibit B** attached hereto (the “Wells”), and all personal property, equipment, materials, facilities, fixtures, and improvements (collectively, the “Equipment”) located on and appurtenant to the Leases and Lands insofar as they are used in connection with the operation of the Leases insofar as they cover the Lands or directly relate to the production, treatment, sale, or disposal of hydrocarbons or water produced therefrom or attributable thereto. The Equipment is assigned to Assignee “as is and where is” and without warranty of title, express or implied;

(c) All crude oil, natural gas, casinghead gas, drip gasoline, natural gasoline, natural gas liquids, condensate, other liquids and hydrocarbons and other minerals or material of every kind and description produced from the Properties and sold on and after the Effective Time.

(d) All contracts and contractual rights, obligations, and interests, including all operating agreements, farmout and farmin agreements, pooling agreements, unit agreements, communitization agreements, orders and regulations of governmental authorities, production sales and purchase contracts, gas balancing agreements, permits, saltwater disposal agreements, surface leases, easements, rights-of-way, division and transfer orders, and other contracts or agreements covering or affecting any or all of the interests described or referred to above (the “**Contracts**”);

**TO HAVE AND TO HOLD** the Properties by Assignee, its successors and assigns, forever, subject to the following covenants, terms and conditions, to which the parties hereto agree:

1. Reservations. **ASSIGNOR HEREBY EXCEPTS, RETAINS AND RESERVES** from the interests herein assigned the Retained Minerals, Retained Lease Rights, and Retained ORRI (as such terms are defined below):

- a. “**Retained ORRI**” means a net overriding royalty interest in and to all oil and gas, including condensate, casinghead gas and natural gas liquids, that are produced from the Wells and designated in **Exhibit B** as “Retained ORRI”. The Retained ORRI shall include, and not be in addition to, existing overriding royalty interests that are owned by Assignor in such Wells, but shall exclude and not be reduced by overriding royalty owned by third-parties. The Retained ORRI shall be paid from the proceeds of the sale of oil and gas produced from the designated Wells, free and clear of all costs and expenses;
- b. “**Retained Minerals**” means all of the minerals, including, without limitation, oil and gas, that Assignor owns in and to the N½N½ of Section 32, Township 33 South, Range 13 West of the 6<sup>th</sup> P.M., Barber County, Kansas; and
- c. “**Retained Lease Rights**” mean the interests of Lessor under the Clark Lease, including the royalty thereunder.

2. Lease of Retained Minerals. The Retained Minerals are subject to the Oil and Gas Lease dated August 10, 1998 (the “**Clark Lease**”) between Curtis F. Clark as Lessor and Clark Exploration as Lessee. Assignor hereby grants, and along with Assignee hereby ratify, confirm, and adopt the Clark Lease. The rights and interests of Lessee under the Clark Lease are hereby assigned to Assignee, and that Assignor excepts, retains and reserves the rights and interests of Lessor under the Clark Lease.

3. Assumption. Assignee hereby assumes, is bound by, and shall perform all express or implied covenants, duties and obligations of Assignor in and under the Properties, and shall defend, indemnify and hold harmless Assignor from all claims, demands, obligations and liabilities related thereto..

4. Disclaimer of Warranties. The Properties are conveyed herein by Assignor “as is, where is” and in their present condition with all faults. Except as provided in **Section 5** below, Assignor has not made, does not hereby make and specifically disclaims, any representations, warranties, promises, covenants, agreements or guaranties of any kind or character whatsoever, whether expressed or implied, at common law, by statute, or otherwise, oral or written, past, present, or future as to, concerning or with respect to the Properties, including, but not limited to (and without limiting the generality of the foregoing), the following: (a) any geological, seismic and other geophysical data; the existence or extent of oil, gas or mineral reserves; the recoverability of or cost or recovering any such reserves; the value of such reserves; any product pricing assumptions; and the ability to sell oil or gas production after closing; (b) the natures, quality or condition of the Properties including, without limitation, the water, soil or geology of the property subject to the Leases; (c) the existing soil conditions or other conditions of any property subject to the Leases; (d) the income to be derived from any of the Properties; (e) the suitability for any and all activities and uses which Assignee may conduct thereon or therewith; (f) the compliance of the

Properties, or their operations, with any laws, rules, ordinances or regulations or any applicable governmental authority or body; (g) the habitability, suitability, merchantability or fitness for particular purposes of the Properties; (h) the good and workmanlike construction of the Equipment; (i) the design of the Equipment; (j) the nature or quality of the construction, structural design and/or engineering of the Equipment; (k) the quality of the labor and materials included in the Equipment; (l) the composition of the materials included in the Equipment; or (m) any other matter with respect to the Equipment.

5. Warranties. This Assignment is made without any warranty of title, express or implied, provided, Assignor shall specifically warrant and agree to defend the title to the Assignor's working interests and net revenue interests as set forth on **Exhibit A** hereto from and against any defect arising by, through, or under Assignor but not otherwise, provided that Assignor's liability under such special limited warranty of title shall (i) apply only to claims with respect to which Assignee gives Assignor written notice on or before two years following the date this Assignment is executed and delivered, and (ii) shall not be assignable.

6. Successors and Assigns. All of the terms, provisions, covenants, and agreements herein contained shall extend to and be binding upon the parties hereto, their respective successors and assigns, and such terms, covenants, and conditions shall be covenant running with the Leases and the Lands herein described with each transfer or assignment of said Leases and Lands.

7. Drafting of Agreement. In the event a dispute arises between the parties in a court of law or otherwise as to the meaning or interpretation of this Assignment or the rights and responsibilities of the Parties created hereunder, this Assignment shall be deemed to have been drafted by all Parties.

8. Entire Agreement. This Assignment constitutes the entire agreement between the Parties with respect to its subject matter and supersedes all prior agreements, understandings, negotiations and discussions, whether verbal or written, of the parties with respect to the subject matter of this Assignment. No supplement, amendment, alteration, modification, waiver or termination of this Assignment shall be binding unless executed in writing by the Parties.

9. Counterparts; Electronic Signatures. This Note may be executed in one or more counterparts (including portable document format (.pdf) and facsimile counterparts), each of which shall be deemed to be an original, but all of which together shall constitute one and the same agreement. The words "execution," "signed," "signature," "delivery," and words of like import, in or relating to any document to be signed in connection with this Assignment and a Promissory Note, signed and delivered by the parties as part of this transaction, shall be deemed to include electronic signatures, deliveries, or the keeping of records in electronic form, each of which shall have the same legal effect, validity, and enforceability as an originally and manually-executed (or "wet ink") signature, physical delivery thereof, or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law[, including [the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. § 7001 *et seq.* ("ESIGN"), the Uniform Electronic Transactions Act, as prepared, approved, and recommended by the National Conference of Commissioners on Uniform State Laws ("UETA"), and any other similar state laws based on UETA. The parties agree that this Assignment shall be valid, binding, and enforceable against any party when executed and delivered by an authorized individual on behalf of such party by means of (i) an original, manual or "wet ink" signature; (ii) a faxed, scanned, or photocopied manual or "wet ink" signature; or (iii) any other electronic signature permitted by ESIGN, UETA, state enactments of UETA, and/or any other relevant electronic signatures laws, in each case to the extent applicable. The parties agree that each faxed, scanned, or photocopied manual signature, "wet ink" signature, or other electronic signature, shall, for all purposes, have the same validity, legal effect, and admissibility in evidence as an original manual or "wet ink" signature. The parties agree that each

party shall be entitled to conclusively rely upon any faxed, scanned, or photocopied manual signature, "wet ink" signature, or other electronic signature of any other party.

10. Definitional Provisions. As used in this Assignment, unless expressly stated otherwise, references to (i) "including" mean "including, without limitation", and the words "hereof," "herein," and "hereunder," and similar words, refer to this Assignment as a whole and not to any particular Article, provision, section or paragraph of this Assignment and (ii) "or" mean "either or both." Unless otherwise specified, all references in this Assignment to articles, sections, paragraphs, exhibits or schedules are deemed references to the corresponding articles, sections, paragraphs, exhibits or schedules in this Assignment. All exhibits or other attachments hereto referenced herein, are hereby incorporated herein. The terms defined in the singular shall have a comparable meaning when used in the plural, and vice versa.

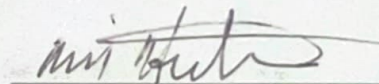

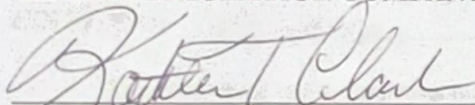

IN WITNESS WHEREOF this instrument has been duly authorized and legally executed with the intent of being bound hereby as of the dates set forth in the acknowledgements below, but shall be effective as of the Effective Time.
